Love Food® Not Waste

Eugene businesses turn food scraps into compost & crops.

REDUCE

Do you really need to purchase that much food?

Will all of the food you prepare reach your customers?

RESCUE

Consider local options for repurposing unused food.

Can the unused food be donated to feed people? Animals?

RECYCLE

Can the food go into composting bins?

Can the food be collected elsewhere (e.g., yellow grease)?

All Food

Fruits, vegetables, meat, poultry, seafood, shellfish, bones, rice, beans, pasta, bakery items, cheese and eggshells

Plants

Floral trimmings, tree trimmings, leaves, grass, brush and weeds

Toda la Comida

Frutas, verduras, carne, pescado, mariscos, huesos, arroz, frijoles, fideos, pasteles y panes, queso, y cáscara de huevo
