CITY TO WELCOME DELEGATION FROM KAKEGAWA, JAPAN

AROUND THE CITY

City to Welcome Delegation from Kakegawa, Japan

Mayor Kitty Piercy and the City of Eugene will welcome Mayor Saburo Matsui, his wife, and a delegation of visitors from Eugene’s sister city of Kakegawa, Japan, at a ceremonial event on May 28 in Harris Hall. The highlight of the program, which begins at 9:30 a.m., is a signing ceremony at which both Mayors will sign a joint declaration of friendship symbolizing a renewal of the two cities’ commitment to their relationship as sister cities. The program will also include remarks from Mayor Piercy, Mayor Matsui, and Jim Knepler, president of the Eugene-Kakegawa Sister City Committee, and the presentation of official gifts.

Kakegawa City and the City of Eugene formed a Sister City alliance in 1979. In 2005, the City of Kakegawa expanded its boundaries through annexation and became a new Kakegawa City. The signing ceremony will commemorate the 10th anniversary of the new Kakegawa City this year, and offers a unique opportunity for the two cities to “renew our commitment to each other and declare that we will work together to achieve peace and prosperity for the future, help foster a spirit of collaboration and goodwill, and promote the development of our two cities through mutual understanding and trust. “
