

# 2009 Disc Golf Challenge Ladder

**What:** The challenge ladder provides an avenue for local disc golfers to meet new players and offers friendly competition in a fun and unique format.

The initial ladder ranking will be established by the order of registrations received. Players may challenge up to five positions above themselves playing an 18-hole "match play" format. If the lower ranked player wins the match, that player takes the ranking of the higher ranked player while the higher ranked player moves down one spot. If the higher ranked player wins the match, both players stay at their prior rankings.

**Match play format:** Golfers compete hole by hole and the golfer who wins the most holes wins the match.

**Results:** It is the responsibility of the winner of each match to report the results to the Athletics office. The match results and weekly standings will be posted on the City of Eugene Athletics program website at [www.eugene-or.gov/recathletics](http://www.eugene-or.gov/recathletics) (click on Disc Golf).

**Length of season:** April 1 – October 25 with end of season elimination bracket for the top 8 places.

**Where:** By mutual consent, matches may be played on any disc golf course (Westmoreland, Dexter, Willamette, etc). If players cannot agree on an acceptable course, Westmoreland Disc Golf Course will be used as the default course.

**Cost:** \$10.00 per player for the duration of the league

**Registration:** Registration will be accepted throughout the season. Players registering after the season begins start at the bottom of the ladder.

**Rules:** A complete list of rules is posted on the Athletics Program web site at [www.eugene-or.gov/recathletics](http://www.eugene-or.gov/recathletics) Click on Disc Golf.
