haulers may provide a discount to a disabled customer
for this service). \$3.00/month/container

Extra bag or container.....\$4.25/bag/container

On-call refuse collection service occurring at a minimum of six week intervals will be billed at a rate equal to the cost of a monthly 32 gallon container, plus an administrative fee not to exceed \$5.00. Licensee is not required to provide a container for this service.

A surcharge of not more than 50% of the applicable charge for pack out or extra bag/container service for removal down or upstairs, through a narrow corridor, or from an attic, basement, or other place posing extra-ordinary difficulties. Licensees may provide a discount to a disabled customer for this service.

B. Inside a Mobile Home Park, Condominium or Apartment Complex:

The rates in this section include collection charges for solid waste and recycling; applicable disposal fees; and Lane County fees. These rates apply when the mobile home park, condominium or apartment complex management is billed for solid waste removal within the mobile home park, condominium or apartment complex on a single bill. Basic residential collection rates shall apply when residents of such complexes are billed individually. Service of any type more frequently than once a week shall be chargeable at the monthly rate multiplied by the number of times that service is provided during the week.

III. LANE COUNTY AND TIPPING FEES:

The fees set forth in Sections I and II above include tipping fees or the Lane County systems benefit fees, unless otherwise indicated. Licensed City of Eugene haulers are required to charge these fees as a portion of the overall rate charged customers. Residential tipping or systems benefit fees have been calculated using the established container weights as determined by the most recent weight study conducted and/or approved by the City Manager or the Manager’s designee. Failure to charge a consolidated rate that includes the tipping fee and systems benefit fee and falls within the minimum-maximum allowable rates may result in enforcement action, including imposition of an administrative civil penalty.
