

## **Neighborhood Matching Grants Departmental Advisory Committee 2009 Review and Ranking of Grant Proposals Tentative Meeting Agenda**

The Neighborhood Matching Grant Departmental Advisory Committee (DAC) will meet in February to review and rank grant proposals submitted for the 2009 funding cycle. All meetings are open to the public and will be held from 6:30-8:30 in the Saul Room of the Atrium Building (99 W. 10<sup>th</sup> Ave.).

The following is a tentative agenda for each meeting. Public comment will be taken at the beginning of each meeting. While applicants are encouraged to attend to answer questions posed by the DAC, time is not allotted for presentations. Please keep in mind that the agenda may be adjusted in order to provide sufficient time to review projects.

For agenda updates or additional information contact Neighborhood Services at 682-5272. Project proposals will be available for viewing on the web at: <http://www.eugene-or.gov/matchinggrants>.
