Police Safety Station Victim of Vandalism

Early this morning the Eugene Police substation located at 788 West 6th Avenue was vandalized. Officers responded to a report that the two glass windows on the front of the building had been smashed. Upon arrival officers discovered additional damage to a police van and a parole and probation officer cruiser.

The damage is the second time since the beginning of the year that this location has been damaged. On January 6, 2009, a police van was spray painted with graffiti while parked overnight at the substation.

Police are asking anyone who may have information in this case contact the Eugene Police Department at 541.682.8888.
