Paving Project Information

Fixing Eugene's Streets

Harlow Road, Pavement Preservation Project

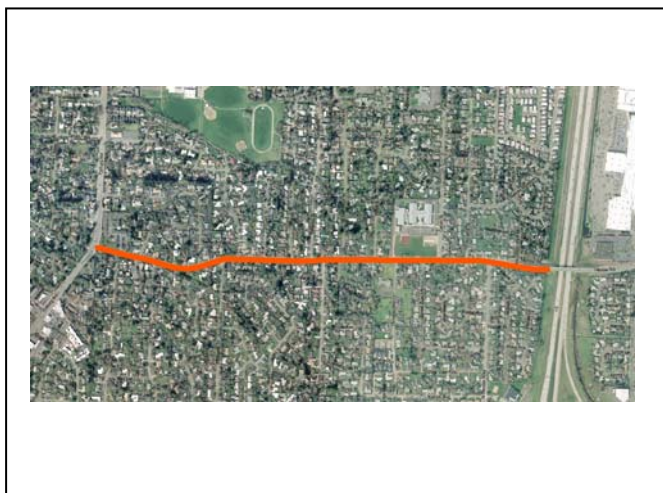

Paving of Harlow Road from I-5 overpass Coburg Road

Project Location

- Harlow Road from I-5 to Coburg Road

Project Overview

- This project will rehabilitate the pavement on Harlow Road by replacing the top layers of deteriorated pavement and removing sections of pavement that have completely failed.
- Minor repairs will be made to the stormwater system as part of the project
- Contractor: Knife River Corp.

Construction Schedule

- Tentative start date-July 1, 2010
- Scheduled completion date-July 30,2010

Traffic Impacts

- One lane of traffic in each direction will be maintained most of the time, with flaggers routing traffic at times in one lane for short durations.

Project Funding

- Major Source
 - Pavement bond measure 20-145
- Minor Source
 - Stormwater Utility Fees
