

Paving Project Information

West 18th Avenue, Pavement Preservation Project

West 18th Avenue from 510' East of Chambers to 25' West of City View

Project Location

- West 18th Avenue from 510' East of Chambers to 25' West of City View

Project Overview

- This project will rehabilitate West 18th by reconstructing sections and replacing the top layers of deteriorated pavement on other sections.
- Improvements to the Traffic Signal systems will be included.
- Repairs will be made to the stormwater system as part of the project.
- Contractor: Knife River Corp.

Construction Schedule

- Tentative start date of mid July 2010
- Scheduled completion date mid September 2010

Traffic Impacts

- One lane of traffic in each direction will be maintained most of the time, with flaggers routing traffic as needed.

Project Funding

- Major Source
 - Pavement bond measure 20-145
 - Transportation SDC
- Minor Source
 - Stormwater Utility Fees
