Protect Your Vehicle from Being Stolen!

• Roll up windows, lock your vehicle doors and take your key!
• Never leave your vehicle unattended while it is running.
• Don’t leave valuables in plain sight. Oftentimes, cars are stolen in order to steal the good stuff out of them!
• Park in well-lit areas.
• Use your alarm or invest in an anti-theft device such as a steering wheel lock. EPD is offering these for sale at the wholesale price of $11. One place to get your club is at the West University Public Safety Station at 791 E. 13th.
