Missing Medallion

Yesterday, October 31, Eugene Police received a report of a theft of City property from the Fern Ridge Bike Path. A large bronze medallion that accompanies a bench on the Fern Ridge bike path near Greenhill Drive and Royal Avenue was pried loose and removed sometime within the past month.

The unique medallion is a piece of a self-guided walk along the bike path provided through a partnership with The Rivers to Ridges Partnership (formerly West Eugene Wetlands). The medallions indicate a point of interest that corresponded to an informational brochure.

Eugene Police are hoping that someone who recognizes the medallion or who has information regarding the theft will contact the Eugene Police tip line at 541.682.8888.

The stolen medallion is similar to the one pictured below however it was cast with a “B” in the top center rather than the pictured “C.”
