Traffic Enforcement at the University of Oregon

6.3.1 PURPOSE AND SCOPE

PART I - Responsibilities and Procedures for All Personnel

- A. Generally
- B. Exceptions

6.3.2 RESPONSIBILITIES AND PROCEDURES FOR ALL PERSONNEL

A. Generally

1. We are responsible for traffic enforcement on campus.
2. Other than the exceptions noted below, all streets open to vehicular traffic are subject to the Oregon Vehicle Code. You may cite or arrest violators as you would anywhere else, including citing violators into Municipal Court.

B. Exceptions

1. Since 13th Avenue, from Kincaid to University, is permanently barricaded and no longer intended for use by the general public for vehicular traffic, it is not legally a "highway."
2. Johnson Lane between 13th Avenue and 14th Avenue is a private lane and is not legally a "highway."
