Subject: Toxics Board Sub-Committee - Thursday, October 27 3:00pm LIBRARY

Reminder: a Toxics Board Sub-Committee meeting is scheduled for this week! All invited but sub-committee members are required! ☺

Toxics Board Sub-Committee: Understanding Conflicting Reporting Data

[AD Hoc Members: Evan, Derrick, Marcus, Lisa]

Open to the Public

Date: Thursday, October 27

Time: 3:00-4:30pm

Location: **Eugene Public Library Bascom Room** (1st floor)

Draft Agenda

3:00 -- Introductions

3:05 -- Stated Purpose of the meeting

3:10 -- Public Comment Period

3:25 -- Background: How does material balancing work? Is it different than the data collected for other kinds of reporting or permits? (i.e., storm water permits) Discussion led by Derrick Thoma

3:45 -- How can we ensure that the reporting is accurate and sensible?

- Using wastewater permit data as a cross reference to Toxic Board submittals
- Ways to share of data between Public Works and the Toxic Subcommittee
- Creating a standard template for auditing Toxic Board Data with wastewater data

4:10 -- Can we improve the Toxics Reporting auditing process?

4:30 -- Adjourn

If you have additional suggestions to make, please email me! Thanks!
