

Paving Project Information

Fixing Eugene's Streets

Lorane Hwy Pavement Rehabilitation Washington St. to Paige Ave.

Project Location

- Lorane Hwy – Washington St. to Paige Ave.

Project Overview

- This project rehabilitated the existing roadway through a recycling process called full-depth reclamation (FDR). The existing road structure was mixed in-place with cement to create a stabilized road base and an asphalt pavement surface was applied to the top.

Construction Schedule

- *Work is substantially complete as of mid-June*

Project Funding

- City of Eugene Road Fund
 - *Property owners were not charged*
