The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to http://www.eugene-or.gov/employeebenefits or by calling 541-682-5062. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 541-682-5062 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$130/individual or $390/family	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Doesn't apply to preventive care, some services due to accidental injury, outpatient surgery physician/facility charges, and routine exams/hardware under vision plan. Combined deductible for medical and retail pharmacy.	This plan covers some items and services even if you haven't yet met the deductible amount. But a co-payment or co-insurance may apply.
Are there other deductibles for specific services?	Yes. Dental care other than preventive care: $30/individual or $100/family. There are no other specific deductibles	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	$950/individual	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, deductibles, balance-billing charges, dental benefits and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.PacificSource.com or call 1-888-532-5332 for medical/vision/pharmacy, or see www.modahealth.com or call 1-888-217-2365 for dental, for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. Your will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware your in-network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **co-payment** and **co-insurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
