

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to <http://www.eugene-or.gov/employeebenefits> or by calling 541-682-5062. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [co-insurance](#), [co-payment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 541-682-5062 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$130/individual or \$390/family	Generally, you must pay all the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Doesn't apply to preventive care, some services due to accidental injury, outpatient surgery physician/facility charges, and routine exams/hardware under vision plan. Combined deductible for medical and retail pharmacy.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">co-payment</a> or <a href="#">co-insurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	Yes. Dental care other than preventive care: \$30/individual or \$100/family. There are no other specific deductibles	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$950/individual	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , deductibles, <a href="#">balance-billing</a> charges, dental benefits and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.PacificSource.com">www.PacificSource.com</a> or call 1-888-532-5332 for medical/vision/pharmacy, or see <a href="http://www.modahealth.com">www.modahealth.com</a> or call 1-888-217-2365 for dental, for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance-billing</a> ). Be aware your <a href="#">in-network provider</a> may use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [co-payment](#) and [co-insurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
