Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes.	This plan covers some items and services even if you haven't yet met the deductible amount. But a co-payment or co-insurance may apply.
Are there other deductibles for specific services?	Yes. Dental care other than preventive care: $50/individual or $150/family. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	$1,000/individual medical $1,300/individual pharmacy	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, charges of an alternative care provider, dental benefits and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.PacificSource.com or call 1-888-532-5332 for medical/vision/pharmacy, or see www.modahealth.com or call 1-888-217-2365 for dental, for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. Your will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware your in-network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	This plan will pay some or all of the costs to see a specialist for covered services.
