EPD Update – Data Led Focus

SUMMARY: EPD’s data led policing focus for this week

Eugene Police Department is using data, intervention and prevention to more effectively respond to crime. The more the public is informed about these trends and what kinds of preventive action to take, the more victimization is curtailed.
Terminology

UUV = Unauthorized Use of Vehicle (stolen vehicle)

UEMV = Unauthorized Entry into Motor Vehicle (also more commonly known as theft from vehicle or ‘car clout’)

There are six beats in Eugene (one through six), indicated on the maps
• Year-to-date, the numbers for Burglaries and Unauthorized Use of Vehicles are up from last year

• Activity in Commons/Kinsrow continued

• Beat 4 activity continued but it’s not spatially-related

• The west side area of concern shifted north
