

Drywell Elimination Program – Andersen Area

Project Overview

- This project will construct a stormwater pipe system and eliminate 15 City of Eugene and Lane County drywells over two years in the Andersen neighborhood. Numerous small vegetated planters will be constructed to provide stormwater treatment. A larger vegetated planter will be constructed in Rosetta Park.

Project Location

- Stage 1 of this project includes work on a number of neighborhood streets:
 - Manzana St.
 - Garth Ln.
 - Andersen Ln.
- Stage 2 of this project will likely include work on the following neighborhood streets:
 - Andersen Ln.
 - Briana Ln.
 - Benjamin St.
 - Evergreen Dr.
 - Rosetta Ave.

Project Area

Construction Schedule

- Stage 1 - Late Summer 2014.
- Stage 2 – 2015.

Traffic Impacts

- Phasing has not yet been determined for this project.
- Watch for construction signs and equipment.

Project Funding

- Major Funding Source is Stormwater User Fees.
