With respect to Continued Life Insurance claims (or other benefits based on disability), within 45 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days.

If an extension is due to the claimant's failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until the claimant provides the information or otherwise responds.

If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim on review; and (c) any additional information we need to decide the claim.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

With respect to Continued Life Insurance claims (or other benefits based on disability), the person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgement, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original medical judgement and will not be subordinate to that person. The claimant may request the names of medical or vocational experts who provided advice to us about a claim for Continued Life Insurance (or other benefits based on disability).

If we deny any part of the claim on review, the claimant will receive a written notice of denial containing:

1. The reasons for our decision.
2. Reference to the parts of the Group Policy on which our decision is based.
3. Information concerning the claimant's right to receive, free of charge, copies of non-privileged documents and records relevant to the claim.

BENEFIT PAYMENT AND BENEFICIARY PROVISIONS

A. Payment Of Benefits

1. Benefits payable because of your death will be paid to the Beneficiary you name. See B through E of this section.
2. AD&D Insurance benefits payable for Losses other than Loss of Life will be paid to the person who suffers the Loss for which benefits are payable. Any such benefits remaining unpaid at that person's death will be paid according to the provisions for payment of a death benefit.
3. The benefits below will be paid to you if you are living.
 - a. Accelerated Benefits.

B. Naming A Beneficiary

Beneficiary means a person you name to receive death benefits. You may name one or more Beneficiaries.

If you name two or more Beneficiaries in a class:

1. Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.
2. If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, we will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.
3. If only one Beneficiary in a class survives, we will pay the total death benefits to that Beneficiary.

You may name or change Beneficiaries at any time without the consent of a Beneficiary.

Your Beneficiary designation must be the same for Life Insurance and AD&D Insurance death benefits. Your Beneficiary designations for Life Insurance and your Supplemental Life Insurance may be different.

You must name or change Beneficiary in writing. Writing includes a form signed by you or a verification from the Policyholder or Employer of an electronic or telephonic designation made by you.

1. Must be dated;
2. Must be delivered to the Policyholder or Employer during your lifetime;
3. Must relate to the insurance provided under the Group Policy; and

If we approve it, a designation, which meets the requirements of a Prior Plan, will be accepted as your Beneficiary designation under the Group Policy.

C. Simultaneous Death Provision

If a Beneficiary or a person in one of the classes listed in item D. No Surviving Beneficiary dies on the same day you die, or within 15 days thereafter, benefits will be paid as if that Beneficiary or person had died before you, unless Proof Of Loss with respect to your death is delivered to us before the date of the Beneficiary's death.

1. The insurance would not have been approved if we had known the truth; and
2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

LI.CE.OT.2

TERMINATION OR AMENDMENT OF THE GROUP POLICY

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.
