

Santa Clara Community Organization: Eugene Neighborhood Survey Results

More than 4,600 community members responded to the recent Eugene Neighborhood Survey, providing useful information about what they like in their neighborhoods and what they would like to improve. Conducted during the summer and fall of 2009, the survey was developed in partnership with neighborhood leaders and the UO's Community Planning Workshop. Neighborhood associations, as well as City staff and other community groups, distributed the survey with a special emphasis on reaching people who have not participated in neighborhood associations and underrepresented groups. These efforts paid off, as results indicate that survey responses are a good representation of the city population in terms of age, income, race/ethnicity, gender, and home ownership.

Responses for Santa Clara Community Organization NA were 144, about .9% of the neighborhood's total population. Respondents were 26% renters and 69% homeowners. Seventeen percent of respondents' household income was less than \$30,000, 36% between \$30,000-60,000, and 47% over \$60,000. The race/ethnicity breakdown of respondents is as follows: 70.6% White, 11.1% Latino/Hispanic, 8.7% Multi-racial, 3.2% American Indian/Alaskan Native, 1.6% Native Hawaiian or Pacific Islander, .8% Black/African American, .8% Asian, and 3.2% other. The respondent age was predominately 25-64 years old (76%), with 14% ages 17-24 and 9% 65 or over. For planning and outreach purposes, the Santa Clara Neighborhood Analysis should be consulted to compare actual demographic make up to the demographic make-up of the survey respondents. Gaps may exist.

Fifty-five percent of respondents had not participated in their neighborhood association, but 39% expressed an interest in being connected. Survey data should be consulted for information on what would encourage respondents to be more involved and what respondents view as the neighborhood association's primary role.

Overall, Santa Clara results show that respondents have generally positive views of the quality of life in the Santa Clara neighborhood. When asked about what they would like to improve in Santa Clara, traffic congestion, parks and natural areas, and recreation options were the most frequent responses, followed by access to services, bus service and safety.

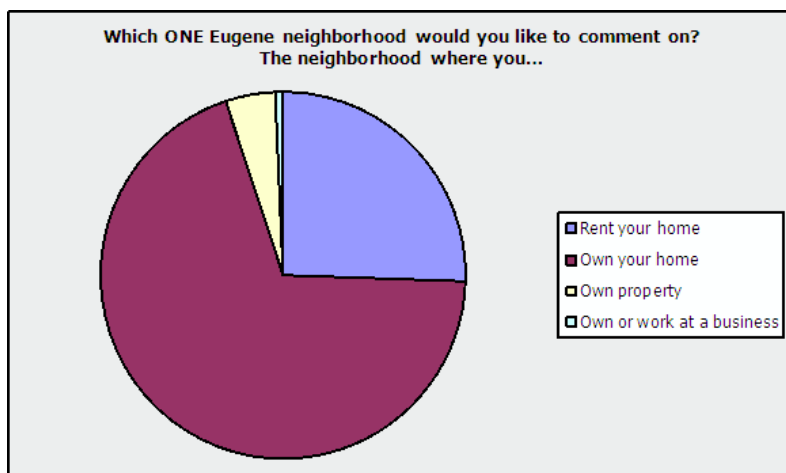

Neighborhood surveys are considered a best practice in neighborhood planning initiatives. The survey provides a wealth of information for neighborhood associations and the City of Eugene, as we work to increase involvement and participation in neighborhood associations and improve neighborhood livability. The full results of the Eugene Neighborhood Survey are posted online at <http://www.eugene-or.gov/neighborhoodsurvey> including neighborhood-specific reports. 1	My neighborhood is quiet.	Aug 12, 2009 2:35 AM
2	I feel my neighborhood has adequate street lighting	Aug 17, 2009 1:48 PM
3	It seems as if the city has failed to acknowledge our existence. The land for the city park sits and is not looked after, there are homeless, syringes, garbage, gang tagging and general garbage. As a long time resident, the city has granted [REDACTED] the ability to build. He is a terrible steward of the land, and leaves it untended and open for constant vandalism. He has never paved our road and hasn't cleaned up the debris after a fire. He FAILS to respond to anyone and the city cares less. We are a good neighborhood but lower income. We couldn't be ignored more.	Aug 17, 2009 3:59 PM
4	Recent events have caused me to feel less safe - for instance strangers coming to door at 2:30 AM for no reason. Opened the door to strange man standing there - he left when we told him to get the H--- out of here.	Aug 18, 2009 3:54 PM
5	The nearest bus stop is too far from my street since you changed the route for 51.	Aug 19, 2009 12:18 PM
6	We have a mix of county and city properties so sidewalk and street regulations are a problem	Aug 20, 2009 3:57 PM
7	River Road and Beltline congestion is unnecessary and been ignored for too long. At least the light could be timed better.	Aug 21, 2009 3:42 PM
8	<ul style="list-style-type: none"> • The Division to Beltline interchange is very dangerous to bike. • Beltline from River Road to Delta Hwy is very dangerous to drive. 	Aug 24, 2009 10:04 PM
9	Sometimes cars drive too fast (over 25mph). We have a lot of kids playing, people walking and dogs and cats.	Sep 8, 2009 9:54 PM

10	I feel neglected by city government. There are few to no parks in Santa Clara. When I have called for emergency services, I get (well trained and professional) County Deputies. I live on a county Road, drive on county and state roads. Why am I paying taxes to the city of Eugene? This year, I signed up for the leaf disposal program, maybe a few dollar bills will me mixed in with the leaves and twigs, because I need to get something back for the thousands a year I pay to the city. It seems very draconian to extort monies from your customers to pay for services that I am not able to receive. My city councilor neglects our area. In 8 years that I have owned my house (and paid city property taxes), I have yet to receive any correspondence from my city councilor outside of election time. I vote for my US and local reps because they tell me what they are doing for me (earning their keep). I really don't care if i am fed a line of crap about how many meetings they have to go to, or how their lips hurt from kissing so many babies or donors. In the private sector, we measure results based on what gets done, not how much work you do. In the appearance that Mr. Ruiz made at the SCCO, I felt him to be out of touch with the issues facing our community. He had no coherent reply to a question regarding how he either added value to the organization (the CoE) or how he would add value in the next 24 months of his contract. In the private sector, we call this a soon-to-be-unemployed-manager. I found it interesting that a city councilman who has a very small slice of Santa Clara made it to the meeting. However, the other councilperson was apparently too busy to come. I guess the benchmarks for government are different.	Sep 10, 2009 6:46 AM
11	We moved from Medford a couple of months ago, and I feel so safe here in our neighborhood. Even when my husband is out of town I am not afraid.	Sep 10, 2009 8:27 PM
12	Note: Sidewalks are not completed in the entire neighborhood.	Sep 16, 2009 8:53 PM
13	city politics seem to apply more weight to non-taxpayers than those who pay taxes	Sep 19, 2009 4:24 PM
14	more street lights	Sep 23, 2009 5:54 PM
15	was a really nice area until development began east of Nottingham and at the end of my street; Lester Ave. Quality of life and privacy will suffer. Not to mention increased traffic on narrow roads.	Oct 2, 2009 12:52 AM
16	Need public sidewalks on River Loop2 and throughout several of the side streets since there is none, people of all ages walk, ride bike, job on the streets because there is no sidewalk.	Oct 2, 2009 9:44 AM
17	I will not stay in my neighborhood if the city annexes Santa Clara, right now housing is affordable without high taxes. Our emergency services are provided by those that really care about the community, they volunteer for the love of it.	Oct 2, 2009 12:53 PM
18	My neighborhood feels connected and a part of greater Eugene.	Oct 5, 2009 3:23 AM
19	There is TOO MUCH traffic on northern River Rd. to be supported by existing infrastructure. Traffic is INSANE early A.M, and early P.M. from Irving rd, south to Mawell. TOO MANY NEW HOUSES AND NOT ENOUGH ROADS!	Oct 9, 2009 5:27 AM
20	Although River Road is very busy, my immediate area is quieter.	Oct 20, 2009 6:38 PM
21	Congestion on River Road is really bad. Beaver Street should be extended north to Wilkes. Beltline should be widened with another lane in each direction or another bridge across the Willamette should be built. Our transportation system is not efficient. New roads could actually decrease travel time and the vehicle travel miles. River Road is not safe to ride a bike on and if Beaver Street were to extend to Wilkes the West Bank Bike trail would allow more people in my neighborhood to bike to the rest of Eugene. 1	<p>bus service doesn't run very frequently or hours that make commuting to work possible</p> <p>mix of sidewalks and non sidewalks and bike lanes and paths.. kind of dangerous to walk or bike</p>	Aug 4, 2009 12:50 AM
2	<p>From a safety standpoint, there is not adequate police protection for any of this district. EPD typically runs 2 officers in both neighborhoods 21 and 22 through most hours, but they are often called to assist with crime problems in the Active Bethel and Trainsong neighborhoods. LCSO covers the overlapping areas, but they have no staff to work them. OSP is absent; even on state highways abutting our neighborhood.</p> <p>There are many older streets without sidewalks. These should be annexed and updated to encourage biking and walking safety, as well as appearance. Many streets lack adequate street lighting, and an abundance of overhead power lines mar the treescape and skyline.</p>	Aug 4, 2009 1:53 PM
3	<p>We are cited in the maze of city/county properties, where many county dwellings do not have side-walks. It doesn't feel particularly safe for children to ride/walk, though adults seem to have no problem. As for recreation, Arrowhead park is nice, but only in the summer. We could us more indoor recreational facilities, like Amazon & Sheldon areas have.</p>	Aug 4, 2009 5:53 PM
4	<p>I currently need to go 7/10 of a mile to catch a bus. It's too far to walk, although I can use my electric scooter.</p> <p>We have a neighborhood watch group, but it is not meeting even quarterly; that's not enough.</p> <p>We actually feel pretty safe but we're careful.</p>	Aug 5, 2009 4:27 PM
5	<p>F. We have no community recreation center.</p> <p>G. I guess we live in pseudo-Eugene, because it's not even included on your survey map. There's nothing pseudo about the \$3,600 per year we pay in property taxes though. The former Santa Clara Ray's food store that opened failed, so there's nothing that can be done about our proximity to food stores, which really isn't of great concern. The old Santa Clara Ray's will probably never be leased to anyone again though, and it could be acquired by the City and turned into a community recreation center.</p> <p>D. Our streets are narrow, but nothing can be done about that, they were designed that way.</p>	Aug 7, 2009 9:19 PM
6	<p>I have a baby, and I've been doing a lot of stroller walking with him in the last 6 months. During this time the lack of sidewalks in many places has become quite apparent. The main park nearby is Awbrey Park, which is pretty nice, but it would be nice to have more options. I've been driving to SKinner Butte Park, spending some time at the playground, and then walking the bike paths. I would love connectivity to the riverbank bike paths from north eugene -- both for recreation with my child and as a way to commute to downtown Eugene for work. Also, the north eugene area has spring creek running through it -- many neighborhoods have some parts of the creek in it. This would be a great natural area to improve, and it could serve as a connection between people all over this area. It would serve as a natural playground/educational opportunity for kids; provide nature-viewing opportunities for people; and help connect people to each other and the natural environment.</p>	Aug 11, 2009 10:30 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
7	Homes built along the Beltline have no noise wall to mitigate the noise of traffic from the freeway. The noise is quite excessive. There are no direct bus routes from RR station to the UO campus or any other part of town. To go anywhere, one must take the bus downtown first. A springtime neighborhood beautification day might be effective in buildin a sense of community and pride in stewardship of public walkways and green spaces.	Aug 12, 2009 2:35 AM
8	I have witnessed more accidents to people walking in this neighborhood than anywhere else I have lived, as wellas traffif accidents, e.g. last year 2 automobiles crashed into our rental w/i 24 hours!!! I believe the above statement covers most of what this question refers to, except that every year we have lived here we have witnessed cars literally upside down in the center lane w/ the exception of the last 2 years. We have to travel by auto in otrder to participate in any activities in our area.	Aug 13, 2009 12:28 PM
9	1- I feel that the people around me are more children and I would like to get to know the parents of these children. 2- I just moved here and find it very irritating not to always have parking in front of my own home. Some parking jobs also pose a hazard for an accident. 3- I dont always feel safe in my area I feel like there are a lot of youngsters around with no supervision.	Aug 13, 2009 7:55 PM
10	It doesn't seem that there are a lot of options for youth in the area - no nearby access to pools or community centers during the summer. The River Loop #2 is horrible for bicyclists and many of the streets don't have sidewalks for walking.	Aug 13, 2009 10:37 PM
11	River Road/Beltline is SO awful during rush hour. We all live in the same neighborhood, but I don't know but a handfull of people's names. More natural places to do my walking.	Aug 14, 2009 11:07 PM
12	Safety, Our home has been burglarized 2 times with no improvements to the area.	Aug 16, 2009 5:00 PM
13	Dongeal/Durham is so badly lit. It is somewhat better now the lights have been changed out and many have taken large trees down, but we get thefts around the properties frequently, and the poor, infrequent lighting does not help us in this regard.	Aug 17, 2009 1:48 PM
14	The River Road & Beltline area is ridiculously congested and I avoid it if possible. In the Santa Clara area all of the services are located at the River Road & Beltline interchange and has become inefficient to use that area during most times of the day. It would be nice to see some additional shopping/ dining areas within Santa Clara. (not at Beltline & River Road)	Aug 17, 2009 2:10 PM
15	The city ignores it's property for a park. But makes sure there is adequate parks for the south side, gets the amazon creek and leaves us to fend for ourselves. There is no current recreation for children. The streets are so narrow there is no way to pass through a neighborhood with any ease. Ross Lane comes to a four way bend and without my own family triming the shrubs in the way you can't see around the corner nor does any slow down. It is hard on pets and children.	Aug 17, 2009 3:59 PM
16	River Road is still the only main street through the Santa Clara area even though more and more development continues. While the NW Expressway takes some of the traffic, it isn't enough. I think there should be another thoroughfare that runs parallel to River Road to help with the traffic. I don't know where unless it would run just on the other side of the river with a bridge going there.	Aug 17, 2009 7:32 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
17	<p>Safety - Homeless in Eugene is out of hand. Instance I mentioned above happened after Rodeo. Rodeo grounds is near my home.</p> <p>Parks - Santa Clara has had a long-ongoing discussion about the need for a park. I understand that land has been purchased next to Madison School for park development.</p> <p>Access to services - would be lovely to have more restaurants, little shops in our area</p>	Aug 18, 2009 3:54 PM
18	If route 51 was returned to river loop 1 to wilks to its present turn north all the people who stopped using it when you left us would return to using the bus regularly.	Aug 19, 2009 12:18 PM
19	<p>We have no neighborhood parks in the area. The closest recreation center is River Road, but are out of their "district".</p> <p>There is limited mobility access for people with disabilities due to the inconsistencies in sidewalks.</p> <p>Bus service is limited to River Road and it is my understanding that will be cut further, stopping at Irving.</p>	Aug 20, 2009 3:57 PM
20	There are publicly owned but undeveloped park spaces in the neighborhood that could be improved for recreational use. The mixture of city and county properties means enforcement of nuisance ordinances is inconsistent. Some key businesses have been unable to successfully locate in the Santa Clara neighborhood (eg. Ray's Foods).	Aug 20, 2009 11:54 PM
21	We need new shopping but the traffic is outrageous and keeps getting to service difficult	Aug 21, 2009 3:42 PM
22	<p>Better access to the bike trails/bus station through the Beltline area. Maybe a bike & pedestrian bridge or underpass?</p> <p>Expand the bike path system so we don't have to ride down River Road.</p> <p>Fix Beltline Hwy with longer on & off ramps and additional lanes. Why are people only driving 20-50 mph through this strip?</p>	Aug 24, 2009 10:04 PM
23	lost a new store and now no one owns a very large commercial building; we need more places to shop for groceries up north; not enough recreation places near here	Aug 28, 2009 8:14 PM
24	<p>The traffic around Beltline and River Road gets very congested, especially around rush hours.</p> <p>While our area is pretty bike/walking friendly, sometimes the sidewalks are inconsistent. On Santa Clara Avenue, there are sidewalks on one side for part of the street, then sidewalks on the other for the other part of the street. Sidewalks need to be consistent to help keep pedestrian and bikers safe.</p> <p>I would like to see simple nature parks with trails for walking in our area. A dog park would also be nice to have along River Road. I see people taking their dogs to the schools and having a River Road or Santa Clara dog park would help keep dogs off school property.</p>	Aug 28, 2009 8:24 PM
25	<p>Our homes get broken into both daytime and at night with the owners at home. More police presence?</p> <p>We need traffic calmers SPEEDBUMPS on Arrowhead. Too many 40-50 mph vehicles in a residential area.</p> <p>We need a stronger CCR group. one that has more a little more power.</p>	Aug 30, 2009 5:41 AM
26	<p>From where I live there is only one way to get to the Beltline, River Road congestion is unfriendly and creates reckless driving.</p> <p>As for new developments, I would like to see more variety of businesses, we do not need another grocery store. More restaurants and retail stores with appeal would be appreciated.</p>	Sep 1, 2009 10:12 PM
27	Need more bike paths set away from traffic. Need a road other than River Road to access downtown. Need more restaurants.	Sep 8, 2009 6:24 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
28	Other: need speed bumps to slow traffic down. 20-25mph is appropriate b/c of so many kids, people, and animals running around. 2nd-We miss Rays!!! We do not have a grocery store within adequate walking distance	Sep 8, 2009 9:54 PM
29	Would like another grocery store to move into where RAY's was. More Recreation is always better.	Sep 9, 2009 2:11 PM
30	I have yet to see what the city parks and rec bond measure has done for Santa Clara. I voted for it because I thought that it meant that there would be more parks, or the development of parks in the NE area. Yet the only areas that I see worked on are those in the south Eugene hills and downtown (Alton Baker). There is only one park that I know of in this area. The only "development" of this park (ferndale), by the city, has been to post three signs showing park hours and that alcohol and drugs are not permitted. There is not one stick of structure or even a park bench. I'm pretty sure that there is enough room in the park to cordon off a section of it for an off leash dog park. Total cost for a private person to do it? under \$10k If the city P&R dept could get their act together, I bet that there are members of the community that might give their time to improve the neighborhood park. All the city would have to do is come up with the materials. Maybe we don't pay enough property taxes out here yet to get the services that those in the hills get. 2:New developments: It seems that the only new developments that come this way are monstrous houses on postage stamp lots. Take the development between Ruby ave and Santa Clara Ave. There are 3500 sqft houses on 5000 sqft lots. It doesn't take a genius to figure out that quality of life includes not knowing when your neighbor relieves themselves in the restroom. My point is this, either force developers to create true row houses in the classic style (Brooklyn, NY, San Francisco) with concrete walls in between them if you are going to allow tiny lots, or create livable spaces between houses. I won't comment on my 3rd choice, other than to say that the county owns most all the roads around here, and seems to do a bang up job of keeping them up to snuff. If they ever put out a bond measure for road construction, I'd vote for it. They seem to spend their monies wisely. As far as I can tell, none of the city owned roads are congested. The congestion falls on either US highways (I-5, Hwy 99), state owned roads (569, 105, 126(route -f), or county roads (River road, Prairie Rd, NW Expressway). I personally detest the practice of extorting money from property owners along roads to be repaved or reworked. People I know have lost their houses over this practice, akin to placing a gun to their heads and saying 'pay up or we will take the house'. This should be what taxes are paid for. The County doesn't do this, so why does the city? There are either too many "Managers" and "Directors" in city public works departments, or there probably doesn't need to be a 'city' public works/roads department. I'm reasonably sure that ALL of the City of Eugene sits inside Lane County, and EWEB owns all the water and sewer lines in the city anyway. To someone who finds layers of ineffective management intuitively counterproductive, this seems like a no brainer. Bottom line is this: If you want your citizens to vote for increased funding, show us what our tax dollars buy. This doesn't mean 'look- we employ 1500 people',... It means 'look this is what we do for you every day, week, month, and year,...'	Sep 10, 2009 6:46 AM
31	I would like to see River Road improved for traffic flow, and there is always room for more natural/park areas.	Sep 10, 2009 8:27 PM
32	It is a well known fact that the Santa Clara area is low on park area, so it still needs improvement. As for appearance, the county/city checkerboard look has to go. The city areas look nicer and are kept up more uniformly than the county areas. Annex the county areas into the City.	Sep 14, 2009 3:18 AM
33	There are no grocery stores or restaurants within two miles of our neighborhood. It would be nice to be able to bike or walk to the store.	Sep 14, 2009 4:07 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
34	Santa Clara does not have a lot of parks compared to the number of folks and square miles. If we could extend the bike path north of Beltline along the Willamette that would be great (and maybe connect to Delay Drive or River Loop 1). More shopping at the north end would be nice too. It was too bad that the Ray's went out of business.	Sep 14, 2009 4:21 PM
35	I have a neighbor that parks his semi-truck on my street where there is already very limited space. This blocks parking for the rest of us and makes our very limited traffic feel congested since it makes my street only one lane. I would also like to see more parks for the kids so they don't feel the need to play in the street when it already has these problems.	Sep 14, 2009 5:10 PM
36	Many homes in area have horrible appearance with lawns and lots of visible "junk" in their yards. Road sides need to be cleaned, and kept clean including vegetation growth. Car thefts are a big problem, and the cops do not take this serious. My car was stolen from my driveway right in front of my eyes and I called the police immediately and told them the thief just drove off and I gave the dispatcher the address and which direction the thief was going and it still took the police 4 hours to respond. Biking lanes need to be improved, and new bike paths are needed. many more people are using bicycling for transportation due to gas prices.	Sep 14, 2009 8:39 PM
37	Extend bike lanes or add a bike path to connect the path by Jerry's.	Sep 16, 2009 5:55 PM
38	Beltline is a mess It would be nice to have a nice par in the general area I would like to see a develpment at the old school site in the future	Sep 16, 2009 6:40 PM
39	I would like to see sidewalks completed/installed along Anchor Avenue East. Traffic congestion on River Road and onto Beltline East at certain times of the day is quite congested.	Sep 16, 2009 8:53 PM
40	Library branch in our area of Santa Clara. Safety - for the police department to believe us when we call that we live in the city - our neighborhood is one of those "new infill - 450+ homes" that is a pocket of service. To provide a park that is for older than preschoolers.	Sep 19, 2009 4:24 PM
41	The semi rural nature of my area is very important. I wish to maintain this feeling. This feeling adds to the sfety and security of the area. I would hate to see mixed use and high density come to this area. It would destroy the overall semi-rural feel of the Santa Clara area.	Sep 21, 2009 9:57 PM
42	I would like it if there was another store like the Rays that we had at River Road and Lynnbrooke. I know that in the original plan for the Filbert Meadows park had Bathrooms, a covered Picnic area and a water feature. I would love it if theses could be added or a at least a brain storming session of how we might find funding to get them accomplished.	Sep 21, 2009 10:10 PM
43	River Road does need a face lift and more "affordable" businesses need to move into the area with easier access....River Road and Beltline bottle necks horribly.	Sep 22, 2009 3:09 PM
44	There are not enough street lights in Santa Clara neighborhood of Ryan Meadows. Another bus stop along Arrowhead Another park, other than the park o Arrowhead would be nice	Sep 23, 2009 5:54 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
45	1. Obvious 2. Don't like infill and the urban growth boundary needs to stay where it is. 3. River road is a mess, particularly around Beltline.	Sep 23, 2009 10:48 PM
46	Closer Grocery Store & Restaurants	Sep 24, 2009 10:37 PM
47	It takes some time to bike or walk to the the trails, and I would like to have more options of things to do closer to me. I would also prefer to live in a different area closer to campus. There are not many restaurants near by but it is nice because downtown isn't at bad ride away.	Sep 28, 2009 5:30 PM
48	Neighbors are noisy and inconsiderate.	Sep 28, 2009 5:36 PM
49	ever since the city changed Irvington Drive, widening and straightening it, traffic has gotten much worse. People who NEVER drove down Irvington Dr. now do, making it difficult to exit our driveways. The drive MUCH to fast down making it unsafe for children to walk or ride to school. Just three months ago there was a pedestrian near fatality directly in front of my house due to the exposed nature of the sidewalks AND the wide open breadth of the road. This used to be a residential neighborhood but because of the width of the road and it's runway like length and straightness people treat it like a freeway. I don't want to live here anymore because the road is so very unsafe for adults and children. What would be a good fix for this is if the lanes were narrower and not so ruler straight. If there were street parking so that cars COULD line the street this would narrow the lanes and cause drivers to go more judiciously. Additionally if that ridiculous center lane could be turned into a green island with grass, tress and other green things this would not only cool the neighborhood (which has become uncomfortably hot over the summers since the city removed our trees to add to this street) but also encourage drivers to proceed more cautiously.	Sep 28, 2009 5:54 PM
50	Access to city services such as library. It would be nice to have a grocery store out here. Congestion to get on beltline can get really bad at times and gets backed up for miles.	Sep 28, 2009 6:54 PM
51	We are still waiting for our community park in Santa Clara. River Road and Beltline are major congested areas for traffic on a daily basis. Fast, efficient bus service along River Road connecting to downtown could alleviate some of the traffic congestion and reduce auto usage.	Sep 30, 2009 1:00 PM
52	Neighborhood Store - We have a Dari Mart but no grocery store in the northern portion of Santa Clara. Ray's was ideal but closed. Helped reduce the need to drive to the Beltline area of River Road. Recreation options - East Beacon is beautiful to run/bike/walk and lots of people do it but there is no sidewalk or good shoulder. Would be a great place to add a sidewalk or trail. River Access - There is one boat launch nearby but is seems a great place to put an improved park that could be enjoyed by many.	Oct 1, 2009 11:29 PM
53	No more development in Santa Clara	Oct 2, 2009 12:52 AM
54	It would be nice to see a chain grocery store..Safeway, or Alberstons move into the area. Rays grocery store did not last long at River Loop2 / River Rd and this area desperately needs a community grocery store and gas station. Thank you for reading.	Oct 2, 2009 9:44 AM
55	The only real concern of the three that I have listed above is my number one pick, Biking and walking. As of now, when my family (My Wife, three kids and I) wants to go for a bike ride we have to ride, first down a twisty, narrow road with no sidewalk and no real room on the side for about 2 miles, then we have to ride on the side of River Road for about another 1 to 1.5 miles before we can access the bike path by the water treatment plant on River Ave (the closest bikepath access). This would not be so much of a problem if it were just my wife and I but with three small children it is downright dangerous.	Oct 2, 2009 2:18 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
56	I had never talked to neighbors until we had a work party in Ferndale Park. I would like to see more things like that.	Oct 2, 2009 3:30 PM
57	More Bike paths. Add along NW Expressway.	Oct 2, 2009 3:58 PM
58	<p>Lots of break-ins this our neighborhood, ideally would like this to stop.</p> <p>Need restroom facilities at all the parks. VERY inconvenient to walk or bike to park with children and have no restroom facility available.</p> <p>Would like to know more about what things are occurring, found out accidentally about some summer programs, not advertised well.</p>	Oct 2, 2009 4:15 PM
59	<p>1)Started to develop area with Ray's and what I hoped would be other conveniences but didn't get far. Understand the economy probably didn't help. Other options aren't to far.</p> <p>2)Would like to remodel and expand house a little and we have room to do it but would have to be annexed and pay higher taxes.</p> <p>3)Sports activity center would be nice. I like the one in Springfield.</p>	Oct 2, 2009 7:57 PM
60	<p>1. Parks/natural areas: I would like more mixed residential areas that contain parks/natural areas, especially areas that are landscaped or equipped so that they are friendly for small gatherings of all ages and needs (tables, some covered areas, plantings that divide some spaces into small-gathering 'groves' but not too scary at night, more inter-connecting pathways, and public art).</p> <p>2. Biking and walking: We have no sidewalks in my immediate neighborhood, and spotty sidewalks on adjacent streets. Biking is so far fairly friendly since most of the streets are not heavily trafficked by cars, but more bike lanes on some of the through-streets, like Hyacinth and Stark, would be a safety improvement.</p> <p>3. I would like to see buried phone and electric lines, which greatly improve the livability and appearance of residential areas, more public art, and opportunities for neighborhood landscaping or gardens on medians and street corners.</p>	Oct 5, 2009 3:23 AM
61	no bus service within walking distance.	Oct 16, 2009 8:23 PM
62	What I would like is side walks for safety when walking, lighting in our neighborhood. Also signs that prohibit thoroughing trash along the road since low income housing was put in down from Beaver street people dump their garbage all down by Beaver st. also the area we all like to walk in down Lone Oak going toward the area where you go toward St. Vincent de Paul and Albertson,s. I would like to have a park nearby the nearest is Emerald. Too much dust from the rock quarry and noise on Beaver and Division.	Oct 19, 2009 7:11 PM
63	I just moved to this area from Kelly Blvd. & West D street in Springfield. I love my new neighborhood, apart from 2 things: I am a lot farther from shopping, work, restaurants, etc; and the traffic on River Road and Beltline, which I now must use to commute, ranges from annoying to downright terrifying. My old neighborhood was closer to everything I need, but the crime and drug use was terrible. I look forward to meeting my new neighbors and getting involved in the community, especially when my toddler starts school at Irving.	Oct 20, 2009 6:38 PM
64	River Rd has become very congested. The intersection at River Rd and Irving is dangerous - need some protected turn traffic control devices and or dedicated turn lanes. It can be nearly impossible in the morning and evening rush hours to get from arrowhead to Irving.	Oct 23, 2009 10:24 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
65	I really wish the 52 bus left Eugene Station later than 6:15 PM. Even if it only ran 2 or 3 more times hourly would be helpful for people on Arrowhead. Otherwise you have to take the 51 to River Road/riving and walk a mile and a half. For C and N it would be nice to see more patrols in the neighborhood, especially on Arrowhead. People tend to speed a lot and there's getting to be a lot of traffic.	Oct 28, 2009 11:38 PM
66	There really isn't a lot to do in the Santa Clara area. I especially think there needs to be more art/music/culture.	Nov 5, 2009 11:15 PM
67	<p>There is one very small park in our neighborhood. I use the term park rather loosely, it is a grassy area that is bounded by trees. My sense is that the Santa Clara community, even those who pay City of Eugene property taxes are a second thought to the city.</p> <p>Basically there is no convenient bus service. The 55 runs to the downtown bus station and the 3X runs a very limited schedule now. Since I work at the university, in the past I would use the park and ride near Beltline and River Road and take the 3X to work. Now I drive everyday.</p> <p>My home was broken into about 3 years ago. They stole computers, papers and my mother's and other jewelry that I inherited. Friends who were petsitting discovered it. I was away on a work related assignment and when I returned TWO days later, I was told that the case was closed and that I could go to pawn shops in the area to try to recover my jewelry. I was shocked that what happened to me was of so little importance to this city and its government. Apparently, buying homeless people \$25,000 or more toilet facilities with my tax dollars is more important than taking care of TAX paying citizens.</p> <p>I installed a \$2000 alarm system (fortunately my home was wired for it so the cost was not higher) immediately, but of course the police don't respond to alarms. Next I will probably buy a gun or TASER since this community is a JOKE when it comes to public safety. Only the beggars on the street have rights or anarchists have rights--free speech PLEASE.</p> <p>I put safety as third because my area is not too high crime and I have ways of protecting myself but I have felt that what I experienced 3 years ago would only escalate throughout the city and guess what, it has.</p>	Nov 6, 2009 9:32 PM
68	The gross lack of support for Public Safety, particularly around police and corrections services, in this community is a dangerous experiment in social sciences. This community is not safe as a result and the few people trying to make a difference are constantly under attack instead of supported. This is a poor environment for building a business. You sure wouldn't want to build one downtown, but the surrounding area isn't much of a choice either. As for access for services, the northern most area of Santa Clara is lacking. Ray's Market was a poor choice, and apparently no other store is looking at moving into the void anytime soon. This leaves us the option of having to drive into one of the most congested areas in town to our services.	Nov 7, 2009 7:10 PM
69	<p>Arrowhead St. is a very busy street, people often break the speed limit. I'd like to see bumps in the road to slow them down especially around the snaking corners. A few years ago we had several tree's taken out next to the street from drivers going to fast.</p> <p>We have 2 or 3 sheriff/policemen living in this area but we still have too many burglaries. People can't leave their cars in their own driveways without getting broke into and there are too many home break ins. This is a nice neighborhood but I rarely ever see police patrolling the streets.</p>	Nov 7, 2009 10:26 PM
70	Traffic congestion is bad there close to belt line. Housing is seemingly high, I pay 630 for a small 2 bdr apt and that's about the cheapest i've found although I have'nt looked in a while. There's not really much in the way of recreation on river rd..	Nov 12, 2009 6:40 PM
71	Cheap housing development. Same houses. Middle-upper-middle class, boring and very white.	Nov 18, 2009 5:45 PM

86	River Road gets congested at important times of the day (=/- 8am & 5:30pm), it seems like there is only one way in and out. I think there is no recreations for all abilities. The north end of River Rd could get more businesses so we do not have to go almost all the way to Beltline.	Dec 8, 2009 8:35 PM

1	Would feel like people would not accept me or be welcoming seems to be around issues rather than events or opportunities	Aug 4, 2009 12:53 AM
2	Due to the city/county maze of homes I mentioned earlier, I feel like an interloper into the county area. County residents are VEHEMENTLY opposed to anything even resembling annexation, so it seems like topics such as sidewalks, would never get a hearing...	Aug 4, 2009 5:57 PM

5	I speak at the meetings but feel no one that matters is actually listening for they have already decided and are just going thru the motions.	Aug 19, 2009 12:22 PM
6	The neighborhood Association seems to be related more to the county issues. Due to my hearing loss, it is difficult to attend group meetings without accomodations. I do not know if that is possible. I would like to see the possibility of commenting on line.	Aug 20, 2009 4:13 PM
7	Assistance & funds available to homeowners associations within the neighborhood.	Aug 24, 2009 10:10 PM
8	An active local CCR would be nice!	Aug 30, 2009 5:43 AM
9	If I felt I could make a difference I would be happy to attend but I do not feel that our (neighborhood) opinions would be considered or even looked upon favorably.	Sep 1, 2009 10:14 PM
10	I don't have kids, but the neighborhood meetings I wnet to, there are no young parents there. This tell me that they either don't care/ don't see value/ or don't want to spring for a babysitter. having even minimal child care at these events might go a long way to getting younger people participating.	Sep 10, 2009 6:50 AM
11	The Santa Clara association seems to be mostly about fighting annexation, a non-issue for a city dweller.	Sep 14, 2009 3:20 AM
12	There is no association that I am aware of.	Sep 14, 2009 5:11 PM
13	I have attended meetings in the past, but often have time conflicts in the evening with other time committments and volunteer activities. If there was a way to participate electronically, like on a listserv or to receive emails and meeting agendas via email, this would likely increase my participation.	Sep 16, 2009 9:11 PM
14	Our neighborhood association is heavily influenced by non-city residents and funded by city funds (my tax dollars).	Sep 19, 2009 4:26 PM
15	Younger people with children need to become involved in the neighborhoods. Many of them do not have the time to do so.	Sep 21, 2009 9:58 PM

16	My schedule is very inconsistent so it is hard to attend meeting. I am all for volunteering manual labour to get things done (I helped with the clear stage of the filbert meadows park). I am good with getting recruits to volunteer also.	Sep 21, 2009 10:14 PM
17	voting polls	Sep 28, 2009 6:55 PM
18	I would be interested in getting an email updating me on what the neighborhood association is up too. I know that the SCCC is very active and would probably make an effort to at least provide input. As it stands between PTO, kid activities and work there is no time to spare to make meetings.	Oct 1, 2009 11:32 PM
19	Anyway to prevent annexation	Oct 2, 2009 12:56 AM
20	I work odd hours, and meetings are difficult to get to with 2 children. I would like to participate via online	Oct 2, 2009 12:54 PM
21	If the people were "less radical" at the meeting and more level headed, I would be more inclined to attend.	Oct 2, 2009 3:59 PM
22	Not sure ...	Oct 2, 2009 8:02 PM
23	More routine and advance notice of the meetings. An email list would be great!	Oct 5, 2009 3:24 AM
24	I was heavily involved in our homeowners' association, and I am burned out.	Oct 16, 2009 8:26 PM
25	That we truly can influence and change our neighborhood without having to payout a fortune.	Oct 19, 2009 7:17 PM
26	Meeting topics or events which are important to me; such as: art/music/culture	Nov 5, 2009 11:17 PM
27	The political environment in this community is caustic at best. It's a gauntlet I don't care to run. It's been painful enough working as an employee of the city. I'm thinking I'll finish out my career and get out.	Nov 7, 2009 7:15 PM
28	There's a lot of talk about what color someone wants to paint their house and people griping about their home being robbed but as far as taking action to start a neighborhood watch program, that hasn't been implemented.	Nov 7, 2009 10:29 PM

1	Block parties, clean ups, events for kids	Aug 4, 2009 12:53 AM
2	Area 21 (Santa Clara) is huge. I haven't yet been involved in the neighborhood association, except for our local Neighborhood Watch.	Aug 5, 2009 4:29 PM
3	Inform: traffic Represent: taxes Organize: parking	Aug 5, 2009 9:27 PM
4	neighborhood cleanup; creek restoration; "adopt a(street)"; comments/suggestions re city projects in our area -- which streets to repave, etc.; conditions of parks, etc. -- simply asking people for input on neighborhood resources/ how to prioritize spending, etc., what the needs are..	Aug 11, 2009 10:33 PM
5	Organize, organize	Aug 13, 2009 12:34 PM
6	Block parties and perhaps gardening workshops or a community garden space.	Aug 13, 2009 10:38 PM
7	I would love an annual neighborhood picnic or flea market...close the streets and get to know each other.	Aug 14, 2009 11:09 PM
8	Neighborhood garage sales for instance.	Aug 17, 2009 2:13 PM
9	Surveys like this one sent to the association.	Aug 17, 2009 7:34 PM
10	We have had neighborhood picnics - hardly anyone attended. There seems to be a general lack of interest in most people to be involved in the neighborhood association in Santa Clara. They do come out if there is a subject of interest that effects them directly.	Aug 18, 2009 3:56 PM
11	See previous info box.	Aug 19, 2009 12:22 PM
12	Inform neighbors about development issues, changes in services, crime awareness. Workshops regarding crime prevention, city regulations regarding: property (development and maintenance); streets (access, maintenance, parking, etc) safety issues Represent issues on development, recreation access, bus access	Aug 20, 2009 4:13 PM
13	Neighborhood association should be a community focus and opportunity for all residents to be engaged in educational, activist, social and recreational activities.	Aug 20, 2009 11:56 PM
14	We'd like to put in a community organic garden in our neighborhood's common area. The creek that runs behind our neighborhood needs trash cleaned out.	Aug 24, 2009 10:10 PM
15	I am willing to be involved however I can	Aug 30, 2009 5:43 AM
16	Conduct policy and development decisions. Tell the city what we want from them, and show them how to deliver on time, on budget, and meaningful projects.	Sep 10, 2009 6:50 AM
17	I was involved in neighborhood watch in Medford. We had annual neighborhood bbq's, and a bimonthly newsletter. There also was a "block chairman" who started a phone tree when anything happened in the neighborhood that we needed to be aware of, such as break ins, etc. It would be fun to have a bbq or something like that, a chili feed, etc, to get to know our neighbors	Sep 10, 2009 8:30 PM
18	I'd like to see area-wide cleanup days - litter patrols. The neighborhood association could get infor from the neighborhood on what the people want in a park, not what the city wants to put in a park in Santa Clara.	Sep 14, 2009 3:20 AM
19	meet and greet (Ice cream social, tea party, etc...)	Sep 14, 2009 4:16 PM
20	I enjoyed the recent picnic in the park at Naismith and Hyacinth!	Sep 14, 2009 4:22 PM

21	I believe interests are well represented. Email communications/list would help with being more connected. Any type of social or improvement project (park clean-up, BBQ or children's fair), etc. would be fun and we would make an effort to participate.	Sep 16, 2009 9:11 PM
22	maintenance of the semi-rural feel of Santa Clara	Sep 21, 2009 9:58 PM
23	something for people new to the city.	Sep 28, 2009 5:31 PM
24	a neighborhood association, provided the city listens to and acts on the suggestions and requests of the association, would be able to consolidate the concerns of the residents allowing the city government to better serve their constituents.	Sep 28, 2009 5:57 PM
25	City residents in Santa Clara need to be encouraged to be more involved. More non-city residents seem to be active and do a good job of representing their views.	Sep 30, 2009 1:05 PM
26	Stop uncontrolled development. At least until the market supports it. And every house withing the city	Oct 2, 2009 12:56 AM
27	Wanter flyers of subjects in thast particular beat assigment. Locaton is in desperate need of a gas station and large chain grocery store....	Oct 2, 2009 9:47 AM
28	Block parties, neighborhood festivals, co-ops to clean parks or streets, a neighborhood watch.	Oct 2, 2009 2:20 PM
29	I would like to learn more about gardening from my neighbors, and I like park celebrations and work projects.	Oct 2, 2009 3:33 PM
30	I think the newsletter is enough.	Oct 2, 2009 4:16 PM
31	Have two parks close by...maybe a neighborhood picnic. Newsletter updating whats going on (maybe I'm missing it in all the junk mail).	Oct 2, 2009 8:02 PM
32	No specific suggestions at this time.	Oct 5, 2009 3:24 AM
33	Be more responsive to addressing all the needs of the neighborhood rather than just going off on their own preset agenda. It is a misnomer to say that their opinions represent the area as a whole. In fact, their views and priorities represent their vision not the neighborhood as a whole and City Council needs to understand that fact.	Oct 18, 2009 12:31 AM
34	Get neighbors to ask for signs to cut down on garbage being throw on the streets and dumping down by the river. Police enforcement.	Oct 19, 2009 7:17 PM
35	I would love ways to help the neighborhood and people in it. Potlucks in the park, work parties to help elderly residents with home & yard maintenance, educational or fun workshops (such as nature in the neighborhood, crafts or skills, etc.) would be great. If there are problems, brainstorming sessions would be helpful (ie; responsible pet ownership, how to keep them from barking all night or pooping on the neighbor's lawn.)	Oct 20, 2009 6:43 PM
36	Having neighborhood get togethers so everyone can meet each other.	Oct 28, 2009 11:40 PM
37	Sponsor social activities in the neighborhood, such as: art/music events Hold educational workshops, such as: bicycle/pedestrian safety	Nov 5, 2009 11:17 PM
38	Unfortunately the whole issue around annexation seems to drown everything else out. Some of us are already paying city taxes. The service received in return is not addequate to what's being paid.	Nov 7, 2009 7:15 PM
39	Neighborhood watch program	Nov 7, 2009 10:29 PM
