

Whiteaker Community Council: Eugene Neighborhood Survey Results

More than 4,600 community members responded to the recent Eugene Neighborhood Survey, providing useful information about what they like in their neighborhoods and what they would like to improve. Conducted during the summer and fall of 2009, the survey was developed in partnership with neighborhood leaders and the UO's Community Planning Workshop. Neighborhood associations, as well as City staff and other community groups, distributed the survey with a special emphasis on reaching people who have not participated in neighborhood associations and underrepresented groups. These efforts paid off, as results indicate that survey responses are a good representation of the city population in terms of age, income, race/ethnicity, gender, and home ownership.

Responses for Whiteaker NA were 175, about 3.9% of the neighborhood's total population. Respondents were 53% renters, 39% homeowners, and 6% worked at or owned a business. Forty-eight percent of respondents' household income was less than \$30,000, 32% between \$30,000-60,000, and 20% over \$60,000. The race/ethnicity breakdown of respondents is as follows: 75% White, 7.1% Latino/Hispanic, 7.1% Multi-racial, 2.6% American Indian/Alaskan Native, 1.3% Asian, .6% Black/African American, and 6.4% other. The respondent age was predominately 25-64 years old (88%), with 11% ages 17-24 and 1% 65 or over. For planning and outreach purposes, the Whiteaker Neighborhood Analysis should be consulted to compare actual demographic make up to the demographic make-up of the survey respondents. Gaps may exist.

Forty-eight percent of respondents had not participated in their neighborhood association, but 33% expressed an interest in being connected. Survey data should be consulted for information on what would encourage respondents to be more involved and what respondents view as the neighborhood association's primary role.

Overall, Whiteaker Community Council results show that respondents have generally positive views of the quality of life in the Whiteaker neighborhood. When asked about what they would like to improve in Whiteaker, safety was the most frequent response, followed by biking and walking, access to services, and parks/open space.

Neighborhood surveys are considered a best practice in neighborhood planning initiatives. The survey provides a wealth of information for neighborhood associations and the City of Eugene, as we work to increase involvement and participation in neighborhood associations and improve neighborhood livability. The full results of the Eugene Neighborhood Survey are posted online at <http://www.eugene-or.gov/neighborhoodsurvey> including neighborhood-specific reports. 8	We need a dog park in the Neighborhood. To many dogs and they crap everywhere and folks don't take bags and there needs to be a dog park with trash and bags available also i'd be a great place for dogs to have a safe place and be able to play with other dogs. 13	Easy, Safe access to schools - our neighborhood schools are located at River Road, Kelly, North Eugene. It's unrealistic for kids to walk or ride bikes to school making a commitment to this neighborhood difficult.	Oct 4, 2009 8:34 PM
14	While Whiteaker does have parks and recreation options, like Scobert, Sladden & the bike path, they are usually frequented by drunks and drug addicts. I walk my dogs here every single day and am frequently harassed. We need better police patrol and more services for homeless people.	Oct 4, 2009 11:26 PM

26	Whiteaker would be a great neighborhood if I was in my early twenties, it is not very "family" oriented, and there seems to be a plethora of drug activity and major parties. I've spent many a.m.s kicking "bums" off my front porch.	Nov 3, 2009 4:36 AM

1	I would love to see mixed-use live-above-the-store development in the Whiteaker. But that would be even more important downtown. Same with businesses, same with safety. Over the 3 years I've lived here my house has been broken into once and some things were stolen from my car once. But I don't feel unsafe. I haven't driven my car in over a year and can do every thing I need to do comfortably by bike.	Aug 3, 2009 11:50 PM
2	Lots of homeless foot traffic that frequently beg for money in this area. Some run down homes that could look better. Much improvement has happened over the past few years.	Aug 4, 2009 10:56 PM
3	<p>Our neighborhood is not safe. Drug addicts and the homeless are all around. They walk the streets late at night (and during the day) screaming obscenities, selling/buy drugs, participating in prostitution and panhandling. My home has be robbed on at least 3 occasions in the last 6 years.</p> <p>The police will not respond - example - What I must presume was a drunk driver crashed into BOTH of my cars in the middle of the night a few years back and the police would not come out to take a report or collect evidence. There was copious evidence - whole pieces of the other vehicle, that may have lead to finding the perpetrator. Instead I was told to contact MY insurance and make a claim.</p> <p>I feel there is a bias in public services to this neighborhood as well. After the February 2002 windstorm our house was without power for 3 days, despite the fact that we live in the middle of town. People in much more remote locations had services long before we did.</p> <p>The general appearance of the neighborhood is shabby. No effort is made by city officials to enforce simple things like making sure intersections are clear and visible. There are several blind corners blocked by overgrown shrubbery or high fences.</p> <p>The people who live here must constantly contend with the people passing through. I can't work in my front yard without being hit up for money or asked for a job. Transients and drunken college students feel no compuncions against sleeping/have loud conversations/lounging beside or in front of my house. The hostile environment prevents neighbors from having polite conversation. There is no sense of community in my area of the neighborhood.</p>	Aug 7, 2009 10:34 PM
4	<p>I don't like some of the very run-down buildings and spaces, grafitti and public camping. It doesn't look like we have pride in our neighborhood. The "entries" into our neighborhood need some work.</p> <p>Great businesses have started to succeed here, like Papa's, Pizza Research, World Cafe, and Ninkasi brewing. I'd like to see more of a healthy business district starting at 6th and Blair.</p> <p>Lots of my neighbors have experienced ongoing property crimes. One day 19 cars had their windows smashed just on our street alone. Safety issues remain a concern for people setting up businesses and buying homes.</p>	Aug 11, 2009 12:40 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
5	the downside to Whiteaker is the high number of homeless and/or sketchy guys walking around. Most of them are harmless, but we have an insane amount of property crime. In the last 4 years living in Whiteaker, I've experienced a home break-in and a car theft, neither of which I experienced in 10 years of living in Oakland, Ca.	Aug 11, 2009 5:20 PM
6	<p>Connection. Whiteaker has a kind of "us against the outsiders" feeling to it, which is stupid in such a small town. I just noted while riding my bike around the other day that there are more Tibetan prayer flags than American flags in the neighborhood which makes me feel ill.</p> <p>Safety. There are alot of scum bags that lurk around the whole Blair corridor probably going to the Mission or to the various things around 6th & 7th. I don't feel unsafe personally, but there is alot of theft by these degenerates.</p> <p>Those are really my two central issues.</p>	Aug 11, 2009 6:04 PM
7	It's challenging to ride on uneven pavement.	Aug 11, 2009 8:42 PM
8	The Whitaker area DESPERATELY needs road improvements, including replacement or resurfacing, with a specific emphasis on bike and pedestrian travel, and with somewhat narrower lanes for vehicular traffic, and designs which specifically discourage vehicular speed. Sidewalks and street surfaces are in very poor condition, generally speaking. There is not sufficient number of higher density, affordable housing options which fit into the existing look and feel of the neighborhood. Any new developments should attempt to embrace the existing ambiance of the neighborhood, while offering more landscaping, low maintenance mini-park options, additional housing options and a more cohesive mix of residential and commercial properties.	Aug 11, 2009 10:26 PM
9	<p>E. While there are many great parks in our neighborhood, it would be great to have an after-school program for the low socio-economic kids in our neighborhood. I see a lot of kids playing on the concrete outside of the apartments on 5th and Blair and think how nice it would be if they had a place that they could go to study, get help with their homework, and recreate in a safe, open space.</p> <p>B. There is no direct bus route from my neighborhood to the UO. Getting a transfer at Eugene Station is slow and inconvenient. I've been sexually harassed by drunk sketchy bus riders and even though the bus drivers have dealt with the situation, it makes me not want to ride the bus on the same route that goes past the Eugene Mission, I'm sorry to say it.</p> <p>N. I have previous experience with my neighborhood association and I have unfortunately found that they are only interested in pursuing the narrow, self-serving agenda of their own needs. Any viewpoints that are not in alignment with their vocal minority are not respected, nor heard. In fact people who present moderate viewpoints are actively discriminated against and subjected to personal attacks in my experience at the meetings and as a an active council member who has attended board meetings as well as community meetings.</p>	Aug 12, 2009 12:46 AM
10	The one thing that this neighborhood lacks is a good meat market. If there was one, most everyday grocery needs could be met.	Aug 13, 2009 7:04 PM
11	If you go out at night, be prepared to defend yourself. The buse stops are somewhat close, but one of them is right next to where all the transients live and sleep and street kids hang out. (1st and Washington. I've also noticed businesses leaving the area, but not sure of their reasons.	Aug 13, 2009 9:16 PM

12	<p>Police brutality is RAMPANT in the Whiteaker, and no one seems to care. Police officers beat helpless homeless people, and there is no one to help them except the residents of the Whiteaker. Eugene's cops scare me, so I won't help someone in need.</p> <p>Businesses are out of place and poorly situated throughout the neighborhood. Gray's is a perfect example. The rest of the neighborhood is clearly designed to fit together, or takes advantage of abandoned or neglected buildings. Gray's is a monstrosity that wastes resources (ie watering the sidewalks behind the fortress to the point of street flooding every night).</p> <p>Because planning has been so poor, we're stuck with all kinds of parking problems. I have watched drug deals go down in two apartment complexes (also built outside the realm of the neighborhood) while the drivers park in spots designated for the rental I live in. This is both a police/DEA issue and a parking enforcement issue. I'd gladly pay for a pass to ensure that I get parking near my home in this high crime area.</p>	Aug 13, 2009 10:09 PM
13	<p>There is a of of crime which leads to me (as well as others I know...) not feeling safe. We don't feel safe walking/biking at times, but otherwise there is good walking/biking routes near. There are often times that it is a challenge to find on-street parking near some places in my neighborhood.</p>	Aug 16, 2009 6:49 AM
14	<p>New developments: We just need more of it. The economy put a stop to a couple of really great projects, especially housing. Need more people living down here and more small commercial and office.</p> <p>Appearance: Looks a little too industrial. Could use more residential scale houses and cool looking office / businesses.</p> <p>Housing? Ranges from low to middle. Need a few more middle to upper end. Tis would stimulate the need for more services and not just a convenience store.</p>	Aug 16, 2009 11:58 PM
15	<p>End of our street, there is a very troublesome trailer court with constant trouble with the law. Racing cars, drugs & questionable/untrustworthy neighbors. Other neighbors (old-time) have similar concerns. The trailer court that house transients needs to be terminated.</p>	Aug 17, 2009 7:59 PM
16	<p>Safety-The park behind my house doesn't always have lightening that works at night and being a bike commuter that is essential to me.</p> <p>Traffic Congestion- In the morning, noon and evenings it is almost impossible to make a south bound turn on to river road to get out of my street when I am driving.</p> <p>Appearance-Many potholed streets in Whitaker neighborhood that could use attention.</p>	Aug 21, 2009 12:45 PM
17	<p>I think our neighborhood is great in terms of recreational opportunities. It falls short in business and safety so that's where work should be done.</p>	Aug 21, 2009 7:02 PM
18	<p>We live a block away from Scobert Park and have only been there a handful of times and each time we have had some encounter with an intoxicated person. Not only do I worry about what my children might hear or see at that park but also what they might find there. Its a great park but I don't feel it is safe or appropriate for children.</p> <p>The traffic on Polk is pretty heavy from people turning on to Polk to speed down to 2nd and then turn left to get to RR. There are no stop signs from 6th and Polk down to 2nd and Polk so it seems most cars speed through not thinking about the families and pets that live here. I would love to see a stop sign or even better 2nd and Polk closed going in one direction. :)</p>	Aug 26, 2009 4:19 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
19	I hate the drug dealers and drunks that are constantly on our street corners, in our parks, and near the river. I do not feel safe in my neighborhood, and I will move as soon as I can afford it. I really really think this neighborhood needs to be cleaned up. I hate living here, but rents in Eugene are really expensive and this is the only area I have found that I can afford right now.	Aug 26, 2009 8:12 PM
20	I expect Whitaker will always have more crime than some other neighborhoods, simply because it is so central to so many different populations. And while it is easy to find a bus stop or a restaurant or shopping (especially if you don't take your car and can take the bike bridge to VRC, I don't much like either of the grocery stores in the neighborhood, and the public schools all seem to require a ride.	Aug 26, 2009 8:35 PM
21	I'd like for the community council to no longer be associated with a non-profit organization so that it can focus on local and neighborhood scale issues. I think the city needs to look at why it is supporting and facilitating a non-profit organization without a clear neighborhood focused agenda. Although the Eugene Police have made great strides in community policing in Whiteaker, there is still a very strong anti-police contingent in the neighborhood. There is also considerable hesitation on the part of residents to call the police on drug trafficking activity. This needs to stop, it is a key cause of violent crime in the neighborhood and it happens in plain sight day and night. Although walking and biking are both great options in Whiteaker, as a daily bike commuter the road conditions are very poor in bike travel lanes. Additionally the lack of clear bike routes on Blair Blvd create conflicts between bikers and cars, and on-street parking often interferes with bike travel lanes.	Aug 28, 2009 6:22 PM
22	I don't have a car. My last neighborhood was car-dependant, and I love that Whiteaker is so pedestrian friendly. There are shops and restaurants I can visit on bike or foot, and I really appreciate that and would never want that to change, but only to improve. I would stay for that, plus it is not too far from work, so public transportation needs to be present and maintained. The only worry I have is the somewhat high amount of property crime, and if the neighborhood grows together, perhaps that won't be as much of an issue.	Aug 28, 2009 8:00 PM
23	E. Sometimes the river bike path down by the park feels a little unsafe on stretches. G. We need another close by and affordable grocery store. N. All areas of Eugene need to be safer - not just The Whiteaker.	Aug 29, 2009 10:30 PM
24	A. As mentioned above, the Lincoln Street bike path needs upgrade. D. On our block, 4th between Lincoln and Lawrence, we have to compete with the PO and others for parking. I'm not sure I would want to deal with permits for residents, but sometimes I think that could help. K. It always is nice to spiff things up a little, but I don't have any specific complaints at the moment.	Sep 2, 2009 4:15 PM
25	See above note about the dog park. Safety, I've had bikes stolen. The cars have been broken into and no one is able to do anything about it! The police don't come quickly and they don't seem to do much about it when they get here. They've been harsh on my daughters (they beat up the girls), on two different occasions. I'd like to feel safe from the cops and the drug dealers.. Make drugs legal and put the drug dealers out of jobs!	Sep 4, 2009 6:17 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
26	When the stop sign at 3rd and Lincoln was removed, it opened up 1st to a ton of through traffic. It has only made it more dangerous to cross 1st. There is a cross walk at 1st and Monroe, but with no stop sign people don't stop. Plus the speed limit is too high. Inevitably when the speed limit is 35 people will drive 40. Routing through traffic to 6th where it belongs would make the street I live on much safer for my family and all the other families that live in this area.	Sep 4, 2009 9:54 PM
27	In the time that I have lived here this neighborhood has become less of a neighborhood and more of a place to drive through on the way to the burbs. The city has made it much easier for these drivers to get through yet has made it a much less friendly place for the residents. It seems that priority has been placed on getting cars moving fast and not on quality of life.	Sep 4, 2009 10:01 PM
28	would like to see bike improvements on Blair, such as shared bike lane/vehicle lanes, repaving and improvements to Blair, such as street tree planting. also would like to see more incentives provided to encourage and support small independent businesses. I'm open to the prospect of new development but think that development should fit the appearance and character of the existing neighborhood. I don't want to see changes drive the heart of the neighborhood away.	Sep 10, 2009 6:20 PM
29	K. There is a tendency in my neighborhood for people to leave trash or "free" stuff out on the curb. sometimes I have to call the city to have it removed. Also many of the trees have not been tended in recent years and could use some attention by homeowners or the city. F. We have a small park and the bike path but no good place for people of different ages and physical abilities to gather together. N. While safety has definitely improved a lot over the past five years we do still have issues with people who are intoxicated, fighting or dealing drugs.	Sep 11, 2009 9:55 PM
30	K. Appearance: I have noticed many, many neighbors walking dogs - most not on leashes, and even fewer with poop bags who will clean up after their dogs. Every morning I have the chore of cleaning up the mess, and sometimes I mourn the loss of a plant. N. I feel safe in my neighborhood: We could use some improvement here. Theft is big here and there is a growing population of people who dwell in their vehicles here. Anything from cars to recreational vehicles. Many of them use the streets outside of our houses for toilets, and park for long periods of time. I have seen them flatten their car tires and switch car batteries from working to dead in order to buy time so they can stay parked longer than the law allows.	Sep 17, 2009 3:27 PM
31	We only have Scobert--be great for the city to buy some empty lot, maybe the old bakery, and make more park space. Safety is pretty self-explanatory--Tiny Tavern needs to go!!	Sep 23, 2009 4:35 PM
32	Medical services are not very close by. That could be improved.	Sep 24, 2009 4:27 PM
33	YOU have to be kidding me? Why is it a crime to MAKE A HIP, VINTAGE LOOKING STRUCTURE BEHIND aSTRO STATION. SAME GOES FOR THE NEW EYESORE APARTMENT POPPING UP AROUND CAMPUS. GET A CLUE, PLANNERS.	Sep 26, 2009 3:54 AM

34	<p>1. The sidewalks are in ridiculously poor repair. They are hard to walk on if you are in good condition. People with physical difficulties must have a horrible time getting around.</p> <p>2. Although I feel relatively safe in the Whit, there is always that question, and we don't have any "red hats" in our neighborhood.</p> <p>3. There is really run-down and cheap housing, or if you don't work in the neighborhood and have a high income, you can buy. There isn't much for median level income people to purchase (although there are a very few rental options).</p>	Sep 28, 2009 6:08 PM
35	<p>People do not obey the leash laws in Sladden Park and on the River Bike Path. Recently I was attacked by a dog on the River Bike Path, near Adams, requiring medical attention at my cost. Some of the homeless people are getting more aggressive in their communications - seeming to feel that I really must give them money. I would like improved animal control supervision - ticketing people with unleashed dogs without any first warning. I would like a strong outreach to homeless people to get them into make-work jobs, or other kinds of help that keeps them from approaching me to ask for a handout when I walk in our beautiful public spaces.</p> <p>Regular visits from law enforcement personnel who talk to the homeless people who hang out in Sladden Park all day are appreciated, but rarely is anyone taken away, even when they start fires, scream and yell at each other, pass out drunk, or urinate in public. Is the bathroom locked? I wonder why they pee against a tree right next to a large public restroom.</p> <p>Thank you for asking</p>	Sep 29, 2009 3:25 AM

41	<p>I spend a lot of time walking around the neighborhood at different times of the day and night. There have been two murders in the last year along my running/dogwalking routes. I've seen lots of stuff that I can't have my child witness, from violent outbursts in our parks (I've broken-up multiple fights in Scobert Gardens), prostitution and open drug-abuse in our alleyways. Police respond when called but there needs to more "eyes on the street".</p> <p>I have a child who doesn't feel completely safe walking two blocks to the store even with the dog and knowing most of the neighbors on the route. It doesn't help that there are not child-focused centers of activity (neighborhood schools, kid-friendly parks). We are big supporters of the skate park under Washington-Jefferson Bridge.</p> <p>While some businesses and residence owners care about the community, many don't. There can be garbage piled-up and labeled as "free" in someone's yard for weeks. There is supposedly a free-stuff box next on Van Buren just past Blair Street that is just a junk heap. Very frustrating when some people care and others don't.</p>	Oct 4, 2009 8:34 PM
42	I don't feel particularly strongly about these 3 choices. I live in an area where I choose not to go walking about alone late at night. Because of its diversity, the Whiteaker is more like a city than other, more residential, neighborhoods. A little more danger kind of comes with the territory.	Oct 4, 2009 9:47 PM
43	More police patrolling and more services for homeless people would help me want to stay in the area. Offering more options for homeless people besides just The Mission would help with safety and the appearance as well.	Oct 4, 2009 11:26 PM
44	<p>Obviously, there is a large population of homeless and there is a lot of crime.</p> <p>There is too much garbage and vandalism. The crowd and grounds around Tiny Tavern continues to be unexcuseable for a neighborhood.</p> <p>Scobert and Washington/Jefferson parks are too dangerous to be in. It would be nice to be able to walk down my street and not be harrassed by those hanging out in Scobert. It would also be nice if my son could play at the two parks closest to him.</p>	Oct 5, 2009 4:09 PM
45	<p>Cars speed through parts of the neighborhood and there are several blind intersections where you can't see cars coming until they speed in to your car or bike. I would like to slow vehicles down on the side streets which would improve walking and biking as well as driving.</p> <p>I would like a close in community garden. Food is a big issue right now and something that would get people in to our current open spaces on a regular basis. This might curb some of the other activities that scare people off.</p>	Oct 5, 2009 4:24 PM
46	I live in Whitaker and I really like it. I walk my dogs and play outside with my son. While I have never had personal injury come to me, and am grateful for that, I know that safety is an issue in this neighborhood. Things have been stolen out of my yard and there was a home invasion just 2 weeks ago. Also, Scobert Park is not an option for me to take my son and dogs; it is scary for me to have small beings there with the drug activity that is rampant and not at all covert. I'd like to see that park get taken over by gardeners and families rather than homeless and drug abusers. Also, I want there to be fair housing prices in ALL of Eugene, which is a great and livable city but not always affordable.	Oct 5, 2009 4:43 PM

47	<p>I don't mind people sleeping at parks, but the fecal matter is unnecessary and a very large health hazard. Children can be exposed either directly or through their animals to the feces, and this brings infectious risk to them. It is a primary concern because it is a public health hazard.</p> <p>The parks are there in the neighborhood, BUT they are not usable due to crime and the above complaint.</p> <p>Blair Blvd, north of W. 5th has come a long way, and now houses 6 restaurant choices. The city can make this area a draw by providing incentives to convert the vacant Bakery at Blair and 2nd into more restaurants, or by ensuring the zoning includes restaurant establishments. We have hit a critical mass of choices that now brings in ppl from all around Eugene. In addition, our large population of artists can create a "shopping" area of artisan shops if some of the industrial, vacant buildings in the area are converted to such.</p>	Oct 5, 2009 5:37 PM
48	<p>1. The corner of 4th & Blair is long overdue for a 4-way stop. There are three bars/restaurants and a grocery store with constant foot traffic (babies in strollers, dogs, and young drunk people) who dash precariously across a dangerous corner. I have considered creating my own stop sign for several years, but continue to wait for the city to step up.</p> <p>2. Scobert gardens - It's lame that the homeless don't have other options, though it really sucks to have a nearby park rendered useless by children since there's always sketchy characters doing sketchy things. No clear answer - but maybe reapportion funds to take care of the homeless instead of police humming around in over-priced vehicles. (We should all be done with ego-drive officers)</p>	Oct 5, 2009 7:57 PM
49	<p>It seems we have a growing number of children in the area but lack a neighborhood school since Whiteaker School closed.</p> <p>I'd love to see the EMX come down to 6th and go to Eugene Station and beyond!</p> <p>We bear the brunt of Eugene's homeless problem due to the fact that the only indoor option is the Mission. Eugene needs to do a better job of homeless outreach and needs a non-religious short term shelter so that those that avoid the Mission stay off the streets</p>	Oct 5, 2009 7:58 PM
50	<p>1. The only general grocery store around for miles.... is Red Apple... it needs alot of help. My only other choice is Red Barn. I use it for somethings....</p> <p>2. It would be nice to have something like the River Road Park on Lake Dr. ... closer to low income folks to use in Whitaker area.</p> <p>3. Not sure what the situation for rent is in this area, but lam sure there is need for: all kinds of housing situations, some better then the average housing in this area.</p>	Oct 5, 2009 10:51 PM
51	<p>Safety has been a significant issue in my neighborhood. I believe largely due to a transient population and businesses that cater to them.</p> <p>New business development has been a significant benefit to the neighborhood. New resturants, such as Papa's Soul Food Kitchen and business like Ninkasi serve to improve the quality of the neighborhood greatly. I live within a couple of blocks of both of these. Ninkasi has sponsored neighborhood events. Papa's is a draw to people from all over the area. Both are examples of exceptional new businesses that should be supported however possible.</p>	Oct 6, 2009 12:06 AM

53	I would prefer to see more (possibly government subsidized) "intentional communities" such as the East Blair Housing Cooperative sprout up rather than traditional apartment housing. These types of cooperatives are sometimes able to subsidize within the community based on need and member involvement/work hours, etc. This keeps housing costs realistic for some who may not otherwise qualify by government standards. They also tend to be safer options than other low-income apartment housing and members are more likely to be active in the community at large.	Oct 7, 2009 6:12 AM
54	Scobert park is at times occupied by inconsiderate "fringe" elements that worry some of the residents and keep it from being a kid-friendly park. Same relates to the safety issue. Tiny's Tavern seems to be a magnet for rowdies and has had it's issues with drug traffic and drunken, disorderly patrons.	Oct 7, 2009 7:20 PM
55	The city needs to address the homeless camp under the Washington/Jefferson park.	Oct 7, 2009 8:09 PM
56	The parking problem comes from the patrons of our local restaurants constantly turning around in our driveways. The restaurants are a very positive happening in the neighborhood. Some signage in regard of that problem would solve the issue.	Oct 8, 2009 9:46 PM
57	The neighborhood needs an elementary school. The little kids have to commute too far away, ever since Whiteaker School was closed.	Oct 11, 2009 9:44 PM
58	We need better bike access along first street, and better lighting for walking an biking throughout pockets of our neighborhood. We need better traffic planning near the Red Barn. We need to make sure that developers do not build on any of the open spaces near the riverfront, and we need landlords not to be slum lords..and need the city to clean up the "drug corner" where all the buses are parked at 4th and Van Buren.	Oct 11, 2009 11:33 PM
59	There are many successful businesses in Whiteaker but the condition of streets and alleys contribute to it not looking so good. Alleys need to be gravelled and streets re-surfaced. New businesses would probably be a welcome addition.	Oct 13, 2009 3:31 AM
60	Lack of a neighborhood school discourages families from living in this neighborhood. This is a very serious problem. Although the appearance of Whiteaker is not horrible, it could be improved a lot, especially in areas with vast parking lots formerly needed when it was more car-oriented (like near Red Barn). In addition, certain elements attract much more than Whiteaker's share of homeless and transients. While we welcome all types of people in the neighborhood, having the Mission, the Buckley Center, more than our proportional share of very low income housing, plus several convenience stores who cater to the homeless really does have a major impact on our lives. I don't think we want to kick any of these out, but certainly we shouldn't add more, and the recent actions to control the predator convenience stores is a very good move. Traffic at the edge of Whiteaker, in particular on 6th and 7th, creates a barrier that breaks up the lively Blair commercial area, discourages pedestrians and bikes (who otherwise thrive in Whiteaker), and encourages a lot of bad, often illegal, behavior.	Oct 15, 2009 2:54 AM
61	More variety of stores would be great. Although it has gotten better, safety still plays a role where I live. Traffic on 6th and 7th is impossible!	Oct 17, 2009 6:57 PM
62	Reduce train noise - especially the few trains that blare their horns and blast us out of sleep, whereas other times they don't seem to need to do that. Would be nice to have an ordinance restricting how long and loud the train whistles go on during evening hours especially sleeping hours.	Oct 18, 2009 2:56 AM

But by far, I'm more afraid of the police than the hoodlums on the street.</p> <p>A. It is very hard to see pedestrians and bikes while driving. It might be good to not allow parking so close to alleys, and to encourage bikes to slow before moving between sidewalk and street.</p> <p>FYI, I do not seek connection with folks in the neighborhood other than my friends.</p>	Oct 18, 2009 5:40 PM
64	<p>I understand that given the current state of the economy that we have a lack of resources, but the on street camping and crime in our neighborhood has increased dramatically. I feel like we need to provide more education so that the people know there are locations and resources available to them instead of camping in residential neighborhoods.</p> <p>Crime: regarding above, the crimes of opportunity are increasing, stuff stolen out of unlocked cars, bicycles stolen from a yard, are increasing.</p> <p>The new convenience store at Jefferson and 1st has created a whole new set of problems for our community.</p> <p>Operating a business. Sladden Park, by my apartment, is the site of assaults (I personally know this to be an unfortunate fact) and illegal camping or parking. If this were a safe place it would be quaint and cozy, but it is not. I fear the proposed skate park in Washington/Jefferson park will push the homeless population and illegal activity further into my area of the neighborhood.</p> <p>2nd - More sidewalks (and keeping them in good condition once established) in the residential areas would greatly increase the appeal of walking and jogging.</p> <p>3rd - Installation of public art, cleanup of trash and yard debris, maintenance of existing public art, removal of graffiti, and cleanup of dilapidated properties would also improve the feeling of this neighborhood.</p>	Oct 27, 2009 2:41 AM

73	I love the Whiteaker neighborhood. I know from past meetings regarding possible development in this area, that the developers (my experience has been with developers from Portland), and even the city of Eugene, do not really understand this neighborhood. I believe that 'developers' see the open space out by the river as a place that should be filled in and utilized...with little stores and apartments above the stores...that whole concept that has happened on Crescent Rd...I know that it has been proposed that there be more access to the river from River Road. Currently, there is complete access to the river from River Road...you can bike, walk....there are so many people who currently enjoy the park and the green space by the river. Just because it is a wide open space, with many of the little roads in Whiteaker at a dead end to the river... DOES not mean that we need to fill this space with businesses and apartments and little roads that go to the river. This would seriously destroy the peace and tranquility of this area. Just because there is open space....does not mean we need to develop this open space. Please concentrate your energy on River Road and the inadequate cross walks. The current cross walks on River Road need to have traffic lights so cars will actually stop to let pedestrians walk across River Road. Without lights at these cross walks, cars will rarely stop. This is what the target should be in this area, NOT development anywhere close to the river.	Oct 31, 2009 4:14 AM
74	I would love to stay here. I have a child, that is only a toddler now, but would not want him raised, where he would be confronted by drug addicts and pan handlers. I have noticed the co-ops in this neighborhood run beautifully and they are great people that really care about one another. It would be nice to see some higher end developments go in, the low income scene is a little overwhelming, diversity in economics.	Nov 3, 2009 4:36 AM
75	There are a great many homeless in my neighborhood. For the most part they are friendly and do not bother anyone. However after the murder that took place there I on longer feel safe.	Nov 4, 2009 12:52 AM
76	<p>Encourage more community planting & beautification projects. get local interaction.</p> <p>crack down on hard drug users and the drug houses.</p>	Nov 8, 2009 8:09 PM
77	Something could be done to bring the appearance of the warehouses, storage facilities and other businesses into better harmony with the spirit of the neighborhood. More trees and bigger lawns, attractive siding, wooden looking fences instead of cyclone fencing, for example. Mostly, this is a very lovely residential neighborhood with a rustic flavor. Businesses should be required to harmonise their appearance with the neighborhood instead of degrading it into an industrial zone. The Hosanna owned apartments are an eyesore. Much of the parking problem involves their tenants as do many of the safety concerns in the neighborhood. Auto theft is outrageously high for any neighborhood. Auto dismantling should be discouraged on North Polk. Parking restrictions need to be enforced, especially for non-running vehicles. The neighbours generally agree that these problems largely emanate from those apartments. The increasing concentration of people from the continued development of residences and higher concentration of tenants is causing more frequent close encounters of the dangerous kind, especially between automobiles and bicycles and pedestrians. This is a very high pedestrian and bicycle traffic neighborhood with many young children. Speed Limits need to be lowered to 20 mph or lower, posted and heavily enforced. Though the street is short, I promise increased revenue for the city from that activity!	Nov 8, 2009 10:52 PM

1	Our neighborhood association is far too divisive, and it is all or nothing. I never know what to expect and as a public employee I don't feel welcome there. Typically its been a comfortable place for some pretty angry radicals. I don't need that.	Aug 11, 2009 12:43 AM
2	The time (7pm on weekdays) is pretty impossible for a working family to attend - it messes with dinner & bedtime. Afternoons on weekends would be better. Also, the one time we tried to get something done (get the drug activity out of Scobert Park) we were basically told by the council to handle it ourselves.	Aug 11, 2009 5:34 PM
3	Less hippies & liberals.	Aug 11, 2009 6:06 PM
4	WCC meets on the same Wednesday night each month as my Community Village meetings, so I usually only go once a year, when the Village doesn't meet. I'd like it if WCC met in August, instead of having an ice cream social in August, because that's one of the few months the Village doesn't meet.	Aug 11, 2009 8:45 PM
5	I would suggest the use of Constant Contact—or, a similar means to deliver legitimate bulk electronic mail—to keep interested parties informed.	Aug 11, 2009 10:29 PM
6	N. I have previous experience with my neighborhood association and I have unfortunately found that they are only interested in pursuing the narrow, self-serving agenda of their own needs. Any viewpoints that are not in alignment with their vocal minority are not respected, nor heard. In fact people who present moderate viewpoints are actively discriminated against and subjected to personal attacks in my experience at the meetings and as a an active council member who has attended board meetings as well as community meetings.	Aug 12, 2009 12:47 AM
7	The neighborhood association has a preset agenda which does not represent the interests of many in the neighborhood and from time-to-time it has been dominated by a single individual.	Aug 13, 2009 7:07 PM
8	Seems like the Whit neighborhood association is run by an assortment of anarchists and rich landowners. Not cool. Get rid of the Whiteaker block party.	Aug 13, 2009 10:11 PM

12	I'm not very good at politics anyway, but currently I work on Saturdays and would have to rush to get to meetings afterward, just exactly when I feel like being catatonic.	Aug 26, 2009 8:42 PM

13	The fact that the community council handles money is detrimental to the organization. The council should not be the neighborhood association for Whiteaker unless it dissolves its non-profit status, and the city should not support the activities of the council as long as they are handling money.	Aug 28, 2009 6:26 PM

22	The neighborhood cannot make these changes. Also the new store has huge trucks unloading on First which makes driving very dangerous.	Oct 2, 2009 5:48 PM
23	I've attended the WCC over the years and continue to be frustrated by their agenda. There have been lots of problems with certain influential members shutting-out alternate voices. I prefer to volunteer with other non-politically motivated organizations in the community such as Friends of Scobert Gardens. They do helpful neighborly activities without all the drama.	Oct 4, 2009 8:38 PM
24	Others around me are very active in the WCC and I don't have time, but I would like to see minutes from meetings.	Oct 5, 2009 4:31 PM
25	Unfortunately, as a single parent with a 50+ hour a week job, I cannot commit to participation at this stage of my life.	Oct 5, 2009 4:45 PM

28	Meetings take time with no reasonable authority to make anything happen.	Oct 5, 2009 7:59 PM
29	This getting involved in meetings,... I swing both ways. I want to go, but hate the time it seems to waste. It would be good if the info on a meeting were more accessible. Don't always see the mail. Not sure what the answer is for that.	Oct 5, 2009 11:00 PM
30	The greatest barrier is lack of time in my own schedule. I always seem to have a conflict with the meeting time. I'm not able to make suggestion to easily resolve this. I also have not put forth sufficient effort to participate.	Oct 6, 2009 12:11 AM
31	My personnel schedule is too busy at this point to add one more thing.	Oct 8, 2009 9:51 PM
32	A stronger spirit of cooperation, an end to the struggles between cliques.	Oct 11, 2009 9:47 PM
33	Land use decisions that affect the neighborhood, in particular the river front park areas, are often not posted in the adjacent parks. That means that many affected people don't hear about hearings or other land use actions until after the fact. Simply requiring posting on the bike path of land use actions within 3 blocks of the river front parks would be an affordable way to solve this problem.	Oct 15, 2009 2:56 AM

37	Our association is a non-profit, this creates a layer of problems and has in the past kept the decision makers the same for quite awhile. The rules of participation are odd, must attend a certain meeting for a certain amount of time before you can vote. I haven't been able to truly figure it out enough to facilitate active participation.	Oct 18, 2009 8:02 PM
38	I've heard from several neighbors that the Whiteaker Community Council prioritizes the needs of the poor and the homeless to the exclusion of permanent residents. I'm sympathetic to these people, but a bit turned off by the Council's reputation of not caring about the rest of us.	Oct 19, 2009 7:23 AM

Please provide other information and suggestions in the space below:		
1	Promote dense, mixed-use development.	Aug 3, 2009 11:51 PM
2	Cleaning up neglected properties, removing abandoned vehicles, cracking down on drug dealers. There are lots of parks, but there is not a sense of safety for children in the neighborhood. I don't feel comfortable letting my son play in the front yard or even walking around my neighborhood. I would recommend posting signs or even speed indicators to get drivers to slow down.	Aug 7, 2009 10:37 PM
3	Provide information without a slant, just highlighting potential affects on the neighborhood. Typically topics are pre-determined as either good or bad in the information.	Aug 11, 2009 12:43 AM
4	Right now i don't really want them to do anything.	Aug 11, 2009 6:06 PM
5	We've had a lot of fun with the concerts in Scobert Park.	Aug 11, 2009 8:45 PM
6	All of these are reasonable and legitimate roles for a city sponsored neighborhood association to be engaged in.	Aug 11, 2009 10:29 PM
7	Traffic calming on 5th Ave Creating an after school program for neighborhood kids	Aug 12, 2009 12:47 AM
8	The neighborhood group should work with the neighbors not take stands against their interests.	Aug 13, 2009 7:07 PM
9	Neighborhood Watch Program, maybe.	Aug 13, 2009 9:18 PM
10	All of the above would be great for many, various reasons!	Aug 16, 2009 6:51 AM
11	Need to think more about this. sorry heading to a meeting & out of time.	Aug 17, 2009 8:01 PM
12	I think the roads, especially the Polk and 5th intersection could stand to be repaved. Other than that, the Whit block party was a hoot. Looking forward to experiencing more of the neighborhood as I just moved here.	Aug 21, 2009 4:53 AM
13	Actually I think the neighborhood association does all these things.	Aug 21, 2009 12:47 PM
14	Support appropriate business development in neighborhood.	Aug 21, 2009 7:04 PM
15	The Whitaker Block party and Park Promenade both looked like fun (except they were on Saturdays so I didn't see much). The degree of committment shown by longtime Whitaker residents to keeping the neighborhood safe and friendly is something I admire more than I emulate, but I'm very glad the people who are good at that kind of thing do as much as they do.	Aug 26, 2009 8:42 PM
16	The Train quiet-zone as well as working with the eugene police department to stop drug activity in the neighborhood would both be really positive. Re-starting activities such as bi-monthly neighborhood cleanups and engaging with the city to help with micro-issues to increase livability would add credibility to the organization.	Aug 28, 2009 6:26 PM
17	Picnics, swap meets/ yard sales, youth events, local music events.	Aug 28, 2009 8:02 PM
18	Neighborhood cleanups are nice, but if they happen I think they happen in the 02 part of Whiteaker and leave out our 01 part. We're kind of an odd little pocket.	Sep 2, 2009 4:18 PM
19	I find that my neighborhood association does a good job with all of these things.	Sep 11, 2009 9:58 PM
20	The neighbors of the Whiteaker do fabulous things--would love for them to have the resources of the city-sanctioned association.	Sep 23, 2009 4:37 PM
21	small neighborhood assistance to neighbors wo lose a loved one.	Sep 26, 2009 3:57 AM

23	I appreciate those who work to improve our neighborhood. Surveys like this are a useful way to collect attitudes - but very few in this poor neighborhood are taking this survey	Sep 29, 2009 3:27 AM
24	keep us informed on new events and trouble in the neighborhood. host gatherings, like music in the park or block party.	Oct 1, 2009 12:37 AM

26	Keep the city council informed on the issues important to us.	Oct 2, 2009 4:47 PM
27	The association complies with many of the above but if we need to organize to get the Neighborhood store out of our neighborhood or more bathrooms in the park, then we should	Oct 2, 2009 5:48 PM
28	Whiteaker seems to already play a role in these areas.	Oct 4, 2009 6:57 PM
29	Don't all associations do these things already? WCC does so I have no other suggestions other than better advertising of each event.	Oct 5, 2009 4:31 PM
30	I think the email that goes around to the neighbors that want to be involved.. Has been a wonderful development, in feeling part of a community. MAYbe the old soap box idea of getting together with all kinds of ideas at Schobert park, to hash out, or invite topics, and speakers. Of course we are talking about rainy day Oregon.	Oct 5, 2009 11:00 PM
31	Generally the way the Whiteaker Community Council operates right now.	Oct 6, 2009 12:11 AM
32	It would seem that my neighborhood association is already doing these things.	Oct 7, 2009 6:14 AM
33	Whiteaker is good that way.	Oct 7, 2009 7:22 PM
34	This neighborhood needs to be cleaned of crime, a place where you could feel safe going to the park with your children- unfortunatley this would involve more homeowners and residents challenging the transient cultures claim to public spaces-- some sort of meet and greet or social event might bond the community more.	Oct 7, 2009 10:09 PM
35	It would be great if a free dumpster for large-scale neighborhood cleanup could be provided yearly.	Oct 11, 2009 9:47 PM
36	I think our organization does a great job at all of these issues.	Oct 11, 2009 11:35 PM
37	Litter control. esp teh eyesore on Van Buren where the free store used to be where people throw crap and it really cheapens the look of the neighborhood.	Oct 18, 2009 3:01 AM
38	They are doing great with social activities. I seldom go because I'm partially disabled. I'd like more information about any advocacy work they may be doing ("represent neighborhood interests").	Oct 18, 2009 5:51 PM
39	again much of what I seen/read relates primarily to residents south of 1st ave. Those of us on the other side don't share the same issues. We have more in common with other neighborhood streets that provide access to the river path. I have felt that we need to restructure the neighborhood associations so that all the residents that are next to the river path are in one association.	Oct 18, 2009 8:02 PM
40	needle pick up twice a year, crime watch, kick out the store at the corner of 1st and Jefferson	Oct 24, 2009 4:25 PM
41	i forum where neighbors who want to be involved in their community could meet and gather.	Oct 25, 2009 10:54 PM
