## Trips for Adults

*For trips designed for ages 50+ see Senior Activities, pages 64-68.*

### Tour the Valhalla Winery ②

Popping corks set the tone for this deliciously romantic winery in Veneta. Valhalla Winery is the newest local vineyard and we are excited to check it out. Lunch at Our Daily Bread restaurant.

#### Activity Level Ratings

**Level ①** Little walking. OK for those with walkers, wheel-chairs or walking difficulties.

**Level ②** Moderate walking. Similar to that at a shopping center or large museum.

**Level ③** Walking of 1-2 miles (1 to 1.5 hours), as on a walking tour of gardens or the zoo. May be steps or hills.

**Level ④** Walking of 3-6 miles on moderate trails. May be rough, hilly or at higher altitude. Access to medical help may be limited.

**Level ⑤** Long hikes of 5+ miles. May be very rough, hilly or high altitude. Access to medical help may be limited.

Consult your physician before participating in any trips/activities to be sure they are appropriate for you. Weather and/or trail conditions may change unpredictably. These levels are approximations only; your experience may vary.
