

Adventure. Community. Happiness.

Spencer Butte Challenge Course

How will the course meet the needs of my group?

All of our programs are customized to your group’s needs, and our staff work directly with you to provide a day of group challenges in a supportive environment in which everyone can participate. We work with you to ensure the course is built around your goals and abilities.

Will we be able to do every activity?

Our course has a wide range of challenges, and although it is not possible for a group to do *all* the activities we have available, we will work with you to design a program to select the activities that will best meet your group’s needs.

What is your typical group size?

We can facilitate groups as small as 7 up to 70 on the course. Off-site programs can be as large as 500+ people.

Do you have to be “in-shape” to do the course?

You do not need to be in-shape to do the course. After a course is booked a Lead Facilitator is assigned to your program and talks with you in more detail about your group’s abilities and the goals of the program. Our course is built to be inclusive and designed for every body.

How much does it cost?

Our prices are per person and vary depending on the type of activities planned and the duration of the course. Our course is team-oriented and requires a certain number of people to run the activities. Therefore, our pricing is set at a minimum of 12 people. You can bring fewer than 12 people but will still be charged the minimum rate for 12 people to cover the costs to open the course. For more than 12, the cost will reflect the per person rate.

<i>Activities</i>	<i>Price</i>	<i>Minimum Fee</i>
Half-day Lows	\$45/person	\$540
Half-day Lows + 1 High	\$50/person	\$600
Full-day Lows & Highs	\$55/person	\$660

Half days = 2 - 4 hours
Full days = 5 - 7 hours

Youth events receive a \$10 per person discount.
Out of District groups pay an additional \$5/person.
Agency Scholarships are available upon request, please contact us for more information

How do I book an event?

We book events seven days a week and are open in the months from April - October.

1. Complete the [SBCC Request Form](#) or email/call Robert Brack to check course availability.
2. Once we confirm a date, the event will be added to our staff calendar and available staff will be assigned to work the event.
3. Courses are confirmed once Challenge Course Staff have been assigned to work the event.
4. You will receive an Event Confirmation email and additional materials to prepare your group for the course. Information may include how to dress, what to bring, release forms, map to the course, etc.

What types of activities can we choose from?

We offer low and high elements. Pictures are provided as examples and are not comprehensive of every program. Elements will have a range of physical and mental challenges.

Low elements: Activities the group participates in at heights from 0 - 8ft. off the ground.

High elements: Challenges that individuals or pairs attempt at heights from 25-55 ft. off the ground with the help and belay support from group members on the ground.

Is there anything available off-site?

We do provide portable activities and events that can be done at a location other than our challenge course facility. Let us come to you! These are available at a flat rate and vary only by the number of staff and the length of the program. More information and pricing is available upon request.

Do you provide lunch?

No. It is the responsibility of the group to bring their own lunch and snacks. We do provide water to refill water bottles.

You, or any member of your group, may call the office with questions at any time during the process of scheduling an event.
