

Paving Project Information

Royal Avenue Pavement Preservation Project

Paving of Royal Avenue from HWY 99 to 100 feet east of Waite Street

Project Location

Royal Avenue from HWY 99 to 100 feet east of Waite Street

Project Overview

- The street is showing significant deterioration. The existing pavement will be completely removed and recycled and the existing base rock will be recycled in-place. The street will then be repaved, curb to curb.
- Sidewalk access ramps will be reconstructed at several locations.

Construction Schedule

- Tentative Construction Schedule- mid-June to late September, 2012.

Traffic Impacts

- Watch for construction signs and equipment.

Project Funding

- Major Funding Source
 - 2008 Street Bond
- Minor Funding Sources
 - Stormwater Utility Fees
 - Wastewater Utility Fees
