The sunset date has been extended, most recently by Ordinance No. 20539 which extended the sunset date to October 1, 2015.

B. It is in the public interest to amend Section 3 of Ordinance No. 20517 to allow for the possibility of additional people to participate in the rest stop pilot program.

However, for rest stop sites that have been operating in good standing for at least six months, the operator of the rest stop may request, and the City Manager may approve, that up to 20 persons may sleep overnight at a specified site under this program.
- (2) No site may be used for overnight sleeping pursuant to subsection (1) of this section unless one or more entities enters into the agreement with the City referenced in Section 4 of Ordinance No. 20517 and one or more entities other than the City provides, at no cost to the City, adequate garbage, toilets and supervision.
