

Welcome to Wellvibe. To earn your Non-Represented Wellness Incentive for this year, you can complete the following activities:

- Health Risk Assessment – Earn \$150
- Optional Biometric Screening – Earn \$150
- One additional Optional Activity - \$100

Deadline: All employees can complete the Wellness Incentive activities through Wellvibe by December 31, 2019.

**** In order to be eligible for the incentive for completion of the optional biometric screening and additional optional activity, you can complete the Health Risk Assessment.**

Welcome

We are pleased to continue working with Wellvibe to enhance your wellbeing program experience and to give you access to helpful health and wellness information and resources. As you probably know, lifestyle choices can have a significant impact on overall wellbeing, as well as on current and future healthcare costs. As a result, we believe in the importance of educating, promoting and rewarding our employees for taking action toward smart and healthy lifestyle choices. The City of Eugene takes a holistic view of Total Worker Health by encouraging a healthy work, home, and community life. Since life extends beyond the work day, so do many City wellbeing offerings!
