Welcome

We are pleased to offer you a powerful tool to enhance your Wellness Program experience, and will be providing access to health and wellness information and resources through Wellvibe™. The City of Eugene takes a holistic view of Total Worker Health by encouraging a healthy work, home, and community life. Lifestyle choices can have a significant impact on overall wellbeing, as well as on current and future healthcare costs. As a result, we believe in the importance of educating, promoting and rewarding our employees for taking action toward healthy lifestyle choices!
