

SANTA CLARA-RIVER ROAD IMPLEMENTATION PLANNING TEAM (SCRRIPT)

NOTE: Vision statements were crafted from 'Best outcomes' shared during the 2014-15 Listening Sessions. The topic areas used by SCRRIPT are slightly different from those being used in the River Road-Santa Clara Neighborhood Plan process.

Vision Statement: Public Safety

Professional law enforcement and the broader community collaborate to create safe, clean neighborhoods that are welcoming to all residents. Increased patrolling, investigation, and prosecution results in access to all resources at all hours of the day, and the community works together to support neighbors by looking out for one another.

Vision Statement: Governance

Our community embraces open, democratic principles in speaking with a cohesive voice that requests efficient, fair and consistent governance, services provided in a clear and logical manner, and equitable taxation of those receiving services.
