

## **SANTA CLARA-RIVER ROAD IMPLEMENTATION PLANNING TEAM (SCRRIPT)**

NOTE: Vision statements were crafted from 'Best outcomes' shared during the 2014-15 Listening Sessions. The topic areas used by SCRRIPT are slightly different from those being used in the River Road-Santa Clara Neighborhood Plan process.

### ***Vision Statement: Parks and Recreation***

Abundant parkland and recreation programs are equitably provided to the full community, access to the river and greenway is improved, and well-maintained parks are the sites for thriving community centers, gathering spaces, and new community gardens.
