Preschool Camps Ages 3-5

Amazon Preschool Camp Ages 3-5

Young campers will enjoy activities in a nurturing, developmentally appropriate environment. Skilled teachers will engage children in early learning through sensory, pre-literacy, math, science and art exploration activities. Every week children will enjoy outdoor and water play activities. These camps are designed for children who have attended preschool or other childcare programs. Children must be potty trained.

All camps follow state guidelines and community health best practices. Comprehensive information about program guidelines and protocols will be emailed in the Family Information Packet at time of registration. State guidelines require camps to be no larger than stable groups of ten and we can't mix children from different groups for extended care. Additional financial support is available for families with children affected economically by this pandemic through our COVID Discount. For more information, call 541-682-5654. Extended care from 2-6 p.m. by calling Amazon Community Center at 541-682-5373.

Register online or call 531-682-5373. This camp qualifies for COVID-19 Discount.

Classic Camps II at Amazon Park Ages 6-11

Youth will explore, discover and play in various parks across the city. In addition to classic camp activities, activity specialists will lead groups in enriching outdoor, creative and art-based activities. This is a great choice for youth who may need a break from open spaces throughout the day. This includes an indoor space equipped with emotional and sensory regulation tools. Additionally, there is a higher staff to camper ratio. This camp is not restricted to youth with support needs. However, some spots are reserved to ensure youth who need additional support receive it.

All camps follow state guidelines and community health best practices. Comprehensive information about program guidelines and protocols will be emailed in the Family Information Packet at time of registration.
