Adaptive Recreation Ages 18+

Adaptive Recreation Services programs thrive with volunteers. We're seeking positive people who will assist in implementing a variety of recreation activities for individuals who experience disabilities. Volunteers may support patrons one-on-one, assist instructors with setup and cleanup and creative projects to be assigned. Previous experience working with individuals with disabilities is preferred but not required. Contact Brittany Oom at 541-682-8837 or boom@eugene-or.gov to learn more about our current opportunities.
