

Community

VISION: The River Road and Santa Clara Neighborhoods exude a strong sense of place. They are welcoming and inclusive neighborhoods for people of all backgrounds. River Road and Santa Clara celebrate and nurture community unity and diverse cultures, while honoring the rich history of farming in the neighborhoods. The community recognizes the value of natural assets, such as the River, and thriving shared spaces, such as parks, schools and local businesses. Our neighborhoods are safe, resilient, and engaged, with strong social networks and reliable public services.

Draft GOAL 15: Ensure our community is welcoming and inclusive for people of all backgrounds.
