Community

VISION: The River Road and Santa Clara Neighborhoods exude a strong sense of place. They are welcoming and inclusive neighborhoods for people of all backgrounds. River Road and Santa Clara celebrate and nurture community unity and diverse cultures, while honoring the rich history of farming in the neighborhoods. The community recognizes the value of natural assets, such as the River, and thriving shared spaces, such as parks, schools and local businesses. Our neighborhoods are safe, resilient, and engaged, with strong social networks and reliable public services.

***Draft* GOAL 19: Increase resilience in systems necessary for human health and wellbeing.**
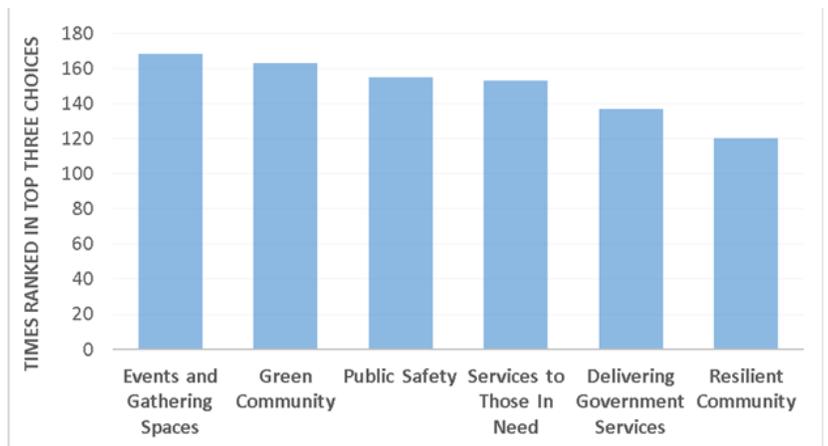

IDEAS & VALUES (FALL 2017)

- Community gardens and greenhouses, grow food
- More green jobs
- Discussion of Block Planning, depaving, regulations that encourage green & resilient living, more front yard gardens
- Change zoning to allow gardening in parking strip-makes community resilient
- Promote sustainable farming
- Edible landscaping- urban food forest
- Tree lined streets-preferably nut trees for community
- Aesthetic solar/wind generators on homes and in gardens for pumping irrigation water and providing energy to homes
- Walkable, bikeable instead of car-oriented
- Encourage organic/bee-friendly/non-GMO farming
- Organic gardening, community gardens and produce sharing, less pesticides and herbicides
- Community food swap
- Communal compost, free pantry
- Community solar net metering project
- Community development investment pool
- People collaborating to reduce stress, happy & healthy neighborhood
