   (3) In this charter no mention of a particular power may be construed to be exclusive or to restrict the scope of the powers that the city would have if the particular power were not mentioned. The charter shall be liberally construed, to the end that the city have all powers necessary or convenient for the conduct of its affairs, including all powers that cities may assume under state laws or the provisions of the state constitution regarding municipal home rule.

Chapter III

(3) All proceedings in the municipal court shall be governed by the general laws of the state governing justices of the peace and justice courts, except as city ordinance prescribes to the contrary. (3) The stipends above are in addition to, and not in lieu of, reimbursement for actual official expenses incurred.

If a candidate for election to a vacated position achieves a majority of all votes cast for that position in the May election, that candidate shall assume office the following July 1, notwithstanding Section 21 of this charter. The term of office of any person elected to fill a vacancy shall expire when the term of the vacated position expires.

(4) Notwithstanding subsection (3), if the election required by this Section 24 would occur in the fourth year of the term of the vacated position, then no election to fill the vacancy will be held. Section 28. Adoption of Ordinances.
(1) At any meeting, the city council may direct the city manager to prepare an ordinance, or the city manager may suggest an ordinance, for consideration at a subsequent meeting. At least ten working days prior to the council meeting at which the proposed ordinance is to be considered, notice of the proposed ordinance shall be published in a newspaper of general circulation in the city and the notice and text of the ordinance shall be posted on the city’s web site. The notice shall include the title of the proposed ordinance and the date, time and place of the council meeting and shall state that copies of the ordinance are posted on the web site and available at the city manager’s office.
(2) There shall be a public hearing on an ordinance prior to its adoption.
(3) Except as provided in this subsection, an ordinance shall not be adopted unless it has been considered by the council during at least two meetings. With the unanimous consent of the council, the council may consider and enact an ordinance at a single meeting if the council does not amend the ordinance in a manner that modifies its substantive effect. Nothing in this section requires the council to consider an ordinance at more than two meetings prior to its adoption.
(4) In case of an emergency, the ordinance shall state in a separate section the description of the emergency and a finding as to why the emergency cannot be adequately addressed by the established process in section 28(1). With the unanimous consent of the
councilors present, the council may adopt an ordinance to address the emergency with such abbreviated notice of the ordinance and council meeting as the council finds to be practicable under the circumstances.

Section 29. Attestation and Approval. Upon the adoption of an ordinance it shall be submitted to the mayor. If the mayor approves the ordinance, the mayor shall endorse the approval thereon with the date of the approval and sign the ordinance officially.

Section 30. Veto. If not approving an ordinance so submitted, the mayor shall, within ten days after receiving it, return it to the manager, with the reasons for not approving it. If not so returned in ten days, the ordinance shall have legal effect as if so approved.

Section 31. Overriding of Veto. At the first meeting of the council after the mayor returns an ordinance not so approved, the city manager shall present the ordinance to the council with the objections of the mayor. The ordinance shall then be put upon adoption again, and if two-thirds of all members of the council vote in favor of the ordinance, it takes effect in accordance with Section 32 of this charter.

Section 32. Effective Date of Ordinances.

(1) Except as provided in subsection (2) of this section, an ordinance takes effect 30 days after its adoption by the council and approval by the mayor or passage over the mayor’s veto, or at a later date specified in the ordinance.

(2) With the affirmative vote of two-thirds of the members of the council, the council may provide for an ordinance to take effect immediately upon adoption by the council and approval by the mayor or passage over the mayor’s veto, or at some other date less than 30 days after adoption, if the council determines that the earlier effective date is necessary to serve an important public purpose. An ordinance with an effective date of less than 30 days after adoption must include a separate section stating specifically why the earlier effective date is necessary.

Section 32-A. Ordinances Adopted by Initiative. In addition to the rights of electors to initiate ordinances pursuant to Article IV, section 1(5) of the Oregon Constitution, city electors may initiate a “protected” ordinance. A protected ordinance may be amended or repealed only by another initiative, council referral, or by unanimous vote of councilors present and voting at a council meeting. The chief petitioners for a protected ordinance shall include with the prospective petition, a statement declaring whether the ordinance is proposed as a regular ordinance or a protected ordinance. A petition for a protected ordinance and any qualified ballot measure for a protected ordinance shall state that it is proposed as a protected ordinance and shall explain the limitations on its repeal or amendment.

Chapter VIII

Elections

Section 33. Wards. The council shall divide the city into wards and redefine the boundaries thereof as necessary to accord persons in the city the equal protection of the laws. No person may vote at a city election in a ward other than that in which he or she resides.
Section 34. **Voters' Qualifications.** No person may vote in a city election unless the person is a qualified voter of the state, and has resided in the city for the length of time that state law requires a person to reside in the state to vote in a state election. No person may vote for an officer to be elected under this charter by ward unless the person has resided in the ward for the same length time required in the preceding sentence for a person to vote in a city election.

Section 35. **Notice.** The city manager or designee shall distribute information regarding officers to be elected and measures to be submitted ten days prior to the distribution of ballots. The notice shall also state the ballot drop sites.

Section 36. **Nomination.** Nomination of a candidate for an elective city office shall be by petition, in a manner prescribed by ordinance.

Chapter IX

**Public Improvements**

Section 37. **Procedure.** The procedure for making, altering, vacating, or abandoning a public improvement shall be governed by general ordinance or, to the extent not so governed, by the applicable general laws of the state, except that if a remonstrance is filed against improvement or repair of a street or alley and is signed by the owners of a majority of the parcels that would be assessed for the repair or improvement, no contract for the improvement or repairs may be let until the city council reconsiders the necessity of the improvement or repair. If, after the reconsideration, two-thirds of all councilors vote for the improvement or repair, contracts for the improvement or repair may be let as if no remonstrance had been filed.

Section 38. **Assessments.** The procedure for levying, collecting, and enforcing the payment of special assessments for public improvements or other services to be charged against real property shall be governed by general ordinance.

Section 39. **Amendments.** The general ordinances mentioned in Sections 37 and 38 of this charter may be amended only by the affirmative vote of two-thirds of the members of the city council. Such an amendment may not take effect for six months after the council adopts it and may not apply to an improvement authorized by the council before the effective date of the amendment.

Section 40. **Liens.** The docket of city liens is a public writing, and the original or a certified copy of any matter authorized to be entered in the docket shall have the force and effect of a judgment. When the council has authorized an improvement, and an assessment for it is entered in the city’s lien docket, the assessment becomes a lien against the property so assessed. The lien has priority over all other liens and encumbrances upon the property and may be enforced in the manner authorized by the city council.
Section 41. Freeways.
   (1) No freeway or throughway, as defined by ORS 374.010 or 377.710(12), may be constructed by the city, nor may the city enter into any agreement approving or facilitating construction of such a freeway or throughway, unless the route of the freeway or throughway is first approved by a majority of the voting electors of the city in a city election conducted in accordance with law and unless the agreement is entered into within a time specified by the measure submitted to the voters for their approval.
   (2) The city may, however, without such prior approval, prepare preliminary plans and specifications and statements of impact, including plans, specifications, and statements of impact necessary for obtaining financial assistance for the freeway or throughway, all of which shall be available to the public at the city hall prior to the election on the route of the freeway or throughway.
   (3) Prior to the election, a map and a description of the proposed route and of intersections of other thoroughfares therewith and a notice of the election, shall be published once a week for four consecutive weeks in the newspaper with the largest general circulation published in the city.

Section 42. Skinner's Butte Park. The property commonly know as the "Butte Property," with boundaries as described in a charter amendment adopted by the voters of the city April 5, 1915, is hereby dedicated to the public forever as a public park.

Public Utilities

Section 43. Franchises.
   (1) The city council may grant a franchise or amendment thereto only by ordinance. Before adopting any such ordinance the council shall publish notice of its intention to do so in a manner authorized by Section 28 of this charter. Any applicant for such a franchise shall pay in advance the expenses of publishing the notice. Any franchise granted by the council shall assure adequate service to city residents and shall require the franchisee to pay the city adequate compensation in the form of a percentage of the gross income from the franchise, or in an alternative form acceptable to the council, in amounts sufficient to cover present value and future development of the franchise.
   (2) In the acquisition by the city of any public utility the price to be paid by the city shall exclude the value of any franchise granted by the city and connected with the utility. All ordinances granting franchises shall do so subject to the provisions of this section.
   (3) The council may not grant an exclusive citywide franchise to haul solid waste.

Section 44. Eugene Water & Electric Board - Functions - Membership.
   (1) The power of the city to generate, collect, and distribute electricity, steam, and other kinds of physical energy is hereby vested in the Eugene Water & Electric Board (the Board).
The Board is further authorized to provide advanced telecommunications capability and associated services including, but not limited to, voice, video, data, internet and telecommunications services. Nothing in the previous sentence divests the City Council of any authority, including but not limited to (a) providing the same or similar types of services, or (b) exercising any regulatory, taxing or other power over telecommunications and related services whether provided by the Board or another entity.

(2) The board is composed of five electors of the city, who shall serve without pay and whose terms of office and election shall be prescribed by the city council by ordinance.

(3) The board shall maintain and operate the water utility and the electric utility of the city, subject to control by the council of extension of water service.

(4) The 1976 rates of payments on account of either utility to the city in lieu of taxes shall continue until changed by agreement between the board and the council.

(5) The council may require the board to bill and collect the city service charges for collecting and disposing of liquid and solid wastes.

(6) The income of the utilities and the operation, maintenance, and improvement of them are under the control of the board, subject to limitations imposed by or under this charter and the rights of holders of outstanding bonds issued to finance either utility. The board shall so keep the funds of each utility as at all times to show the true cost of that utility and its yearly operation, the amount of outstanding bonds and current bills of the utility, and the disposition of the revenues of the utility, and shall make annual reports to the council and whatever other reports the council requires.

Section 45. Eugene Water & Electric Board - Short Terms Loans.

(1) The Eugene Water & Electric Board may borrow under short term loans or other evidence of indebtedness of a duration of less than one year, and at such rates of interest and terms of repayment as in the judgment of the board is expedient for the use of the board in the conduct and maintenance of the water, electric and telecommunications utilities of the city, provided that the total amount of such indebtedness of the board not at any one time exceed five percent of the board's retained earnings at that time. Proceeds from any one borrowing may be used only in the conduct and maintenance of a single utility, and only revenues from that utility may be pledged or used to pay the principal, interest and costs associated with the borrowing.

(2) To secure the payment of any such loan the board may pledge as collateral such assets under the control of the board as are available therefor and as the board deems it expedient so to pledge.

(3) The indebtedness authorized by this section is in addition to all other indebtedness authorized for the city.

Chapter XI

Indebtedness

Section 46. Limits.

(1) Indebtedness of the city may not exceed the limits on city indebtedness under state law.
(2) Approval by the voters of city indebtedness need not be in the form of a charter amendment.

Section 47. Terms, Proceeds, and Retirement of Bonds. Bonds issued by the city as evidence of indebtedness shall include such terms, the proceeds from sale of the bonds shall be kept, invested, disbursed, and accounted for in such a manner, and the indebtedness shall be retired in such a manner as the city council prescribes. The prescription may not be changed for a particular bond after it is issued.

Chapter XII

Miscellaneous Provisions

Section 48. Presumption of Validity of City Action. In every proceeding in any court concerning the exercise or enforcement by the city or any of its officers or employees or agencies of any power by this act given to the city or any of its officers or employees or agencies, all acts by the city or any of its officers, employees or agencies shall be presumed to be valid, and no error or omission in any such act invalidates it, unless the person attacking it alleges and proves that he or she has been misled by the error or omission to his or her damage; and the court shall disregard every error or omission which does not affect a substantial right of the person. Any action by this charter committed to the discretion of the council, when taken, shall be final and shall not be reviewed or called into question elsewhere.

Section 49. Scrivener’s Errors; Renumbering of Sections. By ordinance, the council may correct scrivener’s errors and may re-number and change the sequence of sections in this charter.

Section 50. Effective Date of Revision. The 2002 amendments to this revised charter take effect on December 5, 2002.

Section 51. Caps Rate and Limits Use of City’s Payroll Tax. Any payroll tax imposed by the City is capped at 0.0021 on total wages paid by employers and 0.0044 on wages earned by employees. Chapter XIII

Amendments

Section 52. Amendment II
(1) Trees (a living, standing, woody plant having a trunk 25 inches in circumference at a point 4 ½ feet above mean ground level at the base of the trunk) of at least fifty years of age within publicly owned rights of way for streets, roads, freeways, throughways, and thoroughfares and within those portions of the city which were in the incorporated
boundaries of the city as of January 1, 1915, shall be designated historic street trees and
recognized as objects of high historic value and significance in the history of the city and
deserving of maintenance and protection.

(2) No street, road, freeway, throughway, or thoroughfare may be widened by
the city, nor may the city enter into any agreement approving or facilitating the widening of such
street, road, freeway, throughway, or thoroughfare if such widening will result in the removal of
any historic street tree unless the widening is first approved by a majority of the voting electors
of the city in a city election conducted in accordance with law and unless the agreement is
entered into within a time specified by the measure approved by the voters.

(3) The city may, however, without prior approval, assist in the preparation of
preliminary plans and specifications, and statements of impact necessary for obtaining financial
assistance for the street, road, freeway, throughway, or thoroughfare widening, all of which shall
be available to the public at the city hall prior to the election on the street, road, freeway,
throughway, or thoroughfare widening which would result in the removal of historic street trees.

(4) Prior to the election, a map and description of the proposed widening and
removal of historic street trees shall be published at least once a week for four (4) consecutive
weeks, in the newspaper with the largest general circulation published in the city.

(5) Street, road, or thoroughfare widening projects confined to intersections
only, and intended to improve those intersections shall be exempt from the requirement for
approval by the voting electors of the city for the removal of historic street trees.

(6) In the event an historic street tree is to be removed in order to widen a
street, road, freeway, throughway, or thoroughfare, the city, if it is the governmental unit
implementing the project, shall allocate a portion of the project budget to a fund dedicated to
helping maintain the city's remaining historic street trees. If a governmental unit other than the
city is implementing the widening project, the city may not enter into any agreement approving
or facilitating said widening project unless the implementing governmental unit agrees to
allocate a portion of the project's budget to a fund dedicated to helping maintain the city's
remaining historic street trees.

(7) Any officer or employee of the city or of any public utility may act to
remove an historic street tree if necessary to remove or alleviate an immediate danger to life or
property; to restore utility service; to reopen a public thoroughfare to traffic; or to remove
obstructions to the view of vehicular operators at intersections.

(8) An emergency is hereby declared to exist and this charter amendment,
being enacted by the city in the exercise of its police power for the purpose of meeting such
emergency, and for the immediate preservation of the public peace, health, and safety, shall take
effect immediately upon approval by the electors of the city of Eugene and shall supersede any
and all actions of the city authorizing, approving, or facilitating the widening of any street, road,
freeway, throughway, or thoroughfare which would result in the removal of any historic street
tree.
