

Certificate of Registration

This certifies that the Environmental Management System of

Public Works Wastewater Division, City of Eugene

City of Eugene
410 River Avenue
Eugene, Oregon, 97404, United States

has been assessed by NSF-ISR and found to be in conformance to the following standard(s):

ISO 14001:2015

Scope of Registration:

The Eugene/Springfield Regional Wastewater Facilities (MWMC Facilities) including a municipal wastewater treatment plant, biosolids management facility, and wastewater collection system pump stations for providing wastewater services to the City of Eugene, City of Springfield and unincorporated area of Lane County. Under an intergovernmental agreement (IGA) the MWMC facilities are operated and maintained by the City of Eugene Public Works Wastewater Division. Operation and maintenance services include wastewater conveyance, waste water treatment, biosolids management, laboratory services and industrial source control.
