

Next Steps for the Neighborhood Plan

The *Action Planning* phase is wrapping up as the Community Advisory Committee finishes their final edits on the draft actions to include community feedback. In Winter 2020, the Community Advisory Committee and project staff will present their recommendations to Eugene City Council and Lane County Board of Commissioners and seek direction to prepare a plan adoption package to vet through the River Road and Santa Clara communities.

Community input will continue throughout the *Adoption* phase through newsletter updates, involvement of the River Road and Santa Community Organizations, neighborhood conversations, mailed notices, and outreach to residents and property owners. This input will help inform the community recommendation from the River Road and Santa Community Organizations and the Community Advisory Committee. The community recommendation will be forwarded to the Eugene and Lane County Planning Commissions to begin the formal adoption process.

The formal adoption process will include work sessions and public hearings with Eugene and Lane County Planning Commissions as well as Eugene City Council and Board of Commissioners. The Planning Commissions will deliberate and form a recommendation to City Council and the Lane County Board of Commissioners. The Council and Board will then deliberate and ultimately take action to adopt the plan adoption package.

Adoption Phase Timeline

What Will Be in the Adoption Package?

- River Road-Santa Clara Neighborhood Plan Document (Includes goals, policies, and actions)
- Land Use Code Amendments
- Plan Designation and Zone Change Tables and Maps
- Legal Findings
- Ordinances
