

Project Information Sheet

NE Livable Streets: Multiple Roadways

Project Overview:

- This project is primarily intended to enhance bicycle connectivity in the northeast portion of Eugene.
- The City will be installing neighborhood greenway streets on Jeppesen Acres, Gay St, Chad Dr, Snelling Dr, Sarah Ln, Holly Ave, Westward Ho, Sunshine Acres, Randall St, and Willakenzie Rd.
- Project also includes enhanced crossings on Crescent Ave from Gay St to Sarah Ln, at Chad and shadowview, on Gilham Rd at Holly Ave, on Gilham from Jeppesen Acres to Minda Dr, on Harlow Rd from Sunshine Acres to Randall St, and on Cal Young from Fir Acres to Debrick Rd, and widened sidewalk on the east side of Coburg Rd from the I-105 offramp to Albertsons.

Construction Schedule:

- This project is scheduled for construction in the spring and summer of 2020.

Traffic Impacts:

- Drivers should expect lane closures and lane shifts during construction.
- Pedestrians should expect sidewalk detours during the sidewalk ramp work at the intersections.
- Bicyclists should expect to merge with motor vehicle traffic depending on available lane widths during construction.
- With any construction, drivers should expect equipment and workers in the roadway leading to congestion and delays during the work.

Project Funding:

- The major source of funding is from the Oregon Department of Transportation through their Locally Delivered State Funded Project Program.

For More Information:

- Project Manager: Bryan Root, phone 541-682-5300, Bryan.D.Root@ci.eugene.or.us.
- Online road reports (during construction) at www.eugene-or.gov/traffic.
- On Twitter (during construction) at www.Twitter.com/EugenePW.
