

Project Information Sheet

Oak St, E 17th Ave, E 19th Ave, E 20th Ave, Mill St Paving

Project Overview:

- Work will occur on:
 - Oak Street from E 20th Ave to E 13th Ave.
 - 17th Ave from Oak St to Alder St.
 - 19th Ave from Willamette St to High St
 - 20th Ave from Willamette St to Oak St
 - Mill Street from E 19th Ave to E 16th Ave
- These streets have severe pavement deterioration due to age and traffic loading and need to be rehabilitated or reconstructed.
- Work also includes reconstructing sidewalk access ramps throughout the project in order to comply with the Americans with Disabilities Act.

Construction Schedule:

- Project construction is planned to start in the summer of 2020.

Traffic Impacts:

- Drivers should expect lane closures and lane shifts during construction.
- On street parking may be restricted to accommodate construction activities.
- Bicyclists should expect to merge with motor vehicle traffic depending on available lane widths during construction.
- With any construction, drivers should expect equipment and workers in the roadway leading to congestion and delays during the work.

Project Funding:

- The major source of funding is the 2017 Street Preservation Bond.
- A secondary source of funding is the gasoline tax.

For More Information:

- Project Manager: Patrick Cox, phone 541-682-5331, pcox@eugene-or.gov
- Online road reports (during construction) at www.eugene-or.gov/traffic.
- On Twitter (during construction) at www.Twitter.com/EugenePW.
