Usage Notes

1. After changing report parameters click **View Report** to refresh report with selected parameters.
2. Categories not included in chart legends had no corresponding data during the specified timeframe, or the corresponding data fell below the threshold indicated (if any) below the chart title.
3. To view the detailed data behind a chart, click on the chart title. To view the filtered detail data for a single year/category in the chart, click on the bar corresponding to the year/category of interest.
4. Displayed percentages may not sum to exactly 100% due to rounding.
