

Project Information

Drywell Elimination Program Escalante Area Project

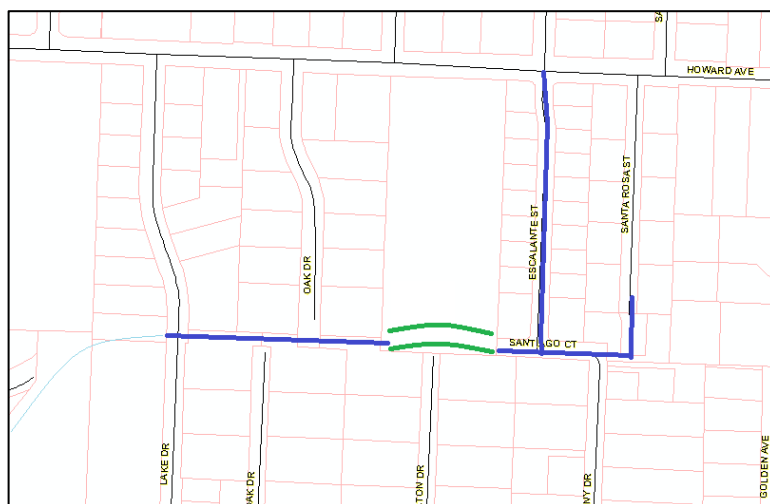

Project Overview

- This project will construct a stormwater pipe system and eliminate 4 City of Eugene drywells in Escalante St and the surrounding neighborhood. A swale will be constructed at the end of Dalton Dr. to treat the stormwater. The new system will flow into the existing swale in Emerald Park.

Project Location

This project includes work on a number of neighborhood streets:

- Santa Rosa St.
- Escalante St.
- Santiago Ct.
- Oak Dr.
- Lake Dr.
- Emerald Park
 - A River Road Park & Recreation District Park

Construction Schedule

- Late Summer 2012

Traffic Impacts

- Watch for construction signs and equipment
- No street closures are anticipated

Project Funding

- City of Eugene Stormwater User Fees
