Property Owner: _____
Designated Agent: _____
Property Address: _____

I, the undersigned property owner, certify that I am the owner of the property identified above. I acknowledge that, pursuant to Eugene Code (EC) 7.370, I am responsible for maintaining the space between the curb and sidewalk in front of my property (*i.e.*, the planting strip). I understand that when the planting strip is a different surface-type than the sidewalk and is clearly separate and distinct from the sidewalk, as the property owner responsible for maintaining the planting strip, I am the person in charge of the planting strip for purposes of EC 4.807 (trespass) and have the authority to ask someone to leave the planting strip.

By signing below, I hereby designate _____ as my agent for purposes of EC 7.370. I acknowledge that by designating an agent I am not alleviated of my duty to comply with EC 7.370, but that my designated agent is additionally responsible for maintaining the planting strip and, when the planting strip is a different surface-type than the sidewalk and is clearly separate and distinct from the sidewalk, my designated agent is a person in charge of the planting strip for purposes of EC 4.807 (trespass) and has the authority to ask someone to leave the planting strip.

I, the undersigned designated agent, acknowledge that I am being designated by the property owner of the above-identified property as the property owner's agent for purposes of EC 7.370. I acknowledge that as the designated agent I am responsible for maintaining the planting strip and, when the planting strip is a different surface-type than the sidewalk and is clearly separate and distinct from the sidewalk, I am a person in charge of the planting strip for purposes of EC 4.807 and that I have the authority the property owner to ask someone to leave the planting strip.

We, the undersigned, acknowledge that, based on current EPD resources, enforcement of EC 4.807(trespass) in the planting strip is done on a complaint basis. We further acknowledge that execution of this document will not result in a police officer taking trespass enforcement action in the planting strip abutting the above-identified property without one of us specifically requesting the officer to do so.
