

Project Information Sheet

Willamette St., Oak St. Two Way Conversion

Project Overview:

- Work will occur on:
 - Oak Street Resurfacing from E 20th Ave to E 19th Ave.,
 - Oak Street Panel replacement from E. 19th Ave. to E. 17th Ave.
 - Willamette Street Resurfacing from E. 19th Ave. to E. 18th Ave.
 - Two Way Conversion of Willamette St. from E. 20th Ave. to E. 18th Ave.
 - Two Way Conversion of Oak St. from E. 20th Ave. to E. 19th Ave.
 - Two Way Conversion of E. 20th Ave. from Willamette St. to Oak St.
- These streets have severe pavement deterioration due to age and traffic loading and need to be rehabilitated or reconstructed.
- Work also includes reconstructing sidewalk access ramps throughout the project in order to comply with the Americans with Disabilities Act.

Construction Schedule:

- Project construction is planned to start spring of 2021.

Traffic Impacts:

- Drivers should expect lane closures and lane shifts during construction.
- On street parking may be restricted to accommodate construction activities.
- Bicyclists should expect to merge with motor vehicle traffic depending on available lane widths during construction.
- With any construction, drivers should expect equipment and workers in the roadway leading to congestion and delays during the work.

Project Funding:

- The major source of funding is the 2017 Street Preservation Bond.
- A secondary source of funding is the gasoline tax.

For More Information:

- Project Manager: Ryan Essler, phone 541-520-9893, ressler@eugene-or.gov
- Online road reports (during construction) at www.eugene-or.gov/traffic.
- On Twitter (during construction) at www.Twitter.com/EugenePW.
