In all lots, carpool permits are free!

The City of Eugene's Parking Services program, Epark Eugene, strives to simplify your parking options by offering 3 types of permits for employees:

A **Monthly or Quarterly Permit** enables the permit holder to park seven days a week in a designated location.

A **Rideshare Permit** is available for 2 people that ride together four out of five days a week. Rideshare members must sign a contract with the City to receive the monthly discount. Your employer will be contacted to verify work hours.

A **Carpool Permit** is available for a group of 3 or more people who ride together four out of five days a week. Carpool members must sign a contract with the City to receive the monthly discount. Your employer will be contacted to verify work hours.

Daily parking is available at most garages and surface lots. The daily rate is \$6.00, with an hourly rate of \$1.00.

In the Overpark and Parade Garages, your first hour of parking is free!

Parking Permit Use Guidelines

The purchase of a monthly permit is the full price between the 1st and 15th of the month. On or after the 16th, the permit is 50% off.

Permit Renewal priority is given to current permit holders. Permits must be renewed by the end of the month or the permit holder's name will be removed from the active list.

The permit does not guarantee a parking space. The City closely monitors lot use in order to provide adequate spaces.

Permits must be displayed at all times according to the directions on the permit. Parking Enforcement is not responsible for searching out a permit that is not readily visible.

Keycards are issued for the Overpark and Parade Garages to activate the gate arms. There is a **non-refundable deposit** of \$15 for the cards. Damaged or lost cards are subject to a \$15 replacement fee.

Lost Permit replacement is at full value.

Citations may be issued or permits revoked if the permit is improperly used or used contrary to the enclosed conditions.

Refunds are made only for unused permits purchased for future use. There are no refunds on parking permits current month use.

Garage Security Services.

Please contact security for a garage security issue.

CALL 911 FOR ALL EMERGENCIES!

Park Smart by securing your valuables! The City is not responsible for stolen or damaged property.
