Hello! Here is the application for Emergency Shelter use at Naval Reserve.

Sj

EMERGENCY SHELTER SUPER SITING APPLICATION: NAVAL RESERVE

THE EMERGENCY SHELTER:

Lane County requests that the City of Eugene-owned site located at the former Naval Reserve site on 13th Ave, tax lot 17043642 10400 (referred to hereafter as “The Facility”) to be utilized as an Emergency Shelter as allowable under HB 4212.

The Emergency Shelter Facility will include sleeping and restroom facilities, will comply with applicable building codes including fire marshal approval, is located in the City’s urban growth boundary, is not within a hazard area, has adequate transportation access to medical and commercial services, and will not pose any unreasonable risk to public health or safety. The facility will be operated by a local government and a nonprofit or public benefit corporation.

The information below and attached demonstrate its compliance with the requirements of HB4212.

SLEEPING AND RESTROOM FACILITIES

The Emergency Shelter Facility will include sleeping and restroom facilities. The proposed Emergency Shelter facilities are to be determined in partnership with City of Eugene and may include modular units that meet building code. Some modular units can be deployed onsite and moved later to make way for future development, or stackable modular units can be placed on the site for longer-term use.

Pending input from City of Eugene and Jefferson Westside Neighbors, this site may house between 24-90 people (based on Section 37. Subsection (1)(c) of Section 9.4290 of the Eugene Code regarding residential density allowances/requirements per acre).

Full plans will be submitted to the City of Eugene planning department prior to building and any other permit applications.

COMPLIANCE WITH APPLICABLE BUILDING CODES

The Facility will comply with all applicable building codes. All plans and construction activity will be in accordance with City of Eugene Planning and Development requirements and code.

URBAN GROWTH BOUNDARY

The Facility is located within the City of Eugene Urban Growth Boundary. See attached Tax Map for specific location information.

STATEWIDE LAND USE COMPLIANCE

The Facility will not result in new building/s that is/are sited within an area designated under a statewide land use planning goal relating to natural disasters and hazards unless the development complies with regulations directly related to the hazard. See attached Detailed Property Report.

TRANSPORTATION ACCESS TO MEDICAL AND COMMERCIAL SERVICES

The Facility has adequate transportation access to medical and commercial services. The Facility is located on a well-used bus line with a bus stop adjacent to the site, which allows quick and easy access to major transit hubs throughout the metro area. The site is within walking distance of several grocery stores and a nine-minute walk to the Brookside Clinic Community Health Center.

NO UNREASONABLE RISK TO PUBLIC HEALTH OR SAFETY

The Facility will not pose any unreasonable risk to public health or safety. The Facility will be operated as an Emergency Shelter site with Navigation services, adapting a model that has been successfully deployed in San Francisco, Seattle, and Portland, among other large cities. The Facility will be by referral only, which will preclude individuals congregating on or near the property. The model includes a Good Neighbor Agreement that ensures that the operator and all emergency shelter guests limit any disruptions that may concern the surrounding neighbors, which will be informed by the Jefferson Westside Neighbors. The Facility will have professional staff with training in de-escalation and case management onsite 24 hours a day. The Facility will be operated to support people who have barriers to housing as they stabilize, identify goals, and work toward reaching housing and employment goals in partnership with Housing Navigators and Case Managers.

EMERGENCY SHELTER OPERATIONS

The facility will be operated by a local government and a nonprofit or public benefit corporation.

The Emergency Shelter/Navigation Center will be operated in partnership with:

- Lane County Human Services Division
- City of Eugene
- A nonprofit organization (to be selected via RFP process closer to opening)

Additionally, this Emergency Shelter will provide:

- Showering and bathing facilities
- Personal property storage
- Laundry
- Food service
- Recreation areas for pets
- Case management and housing navigation services

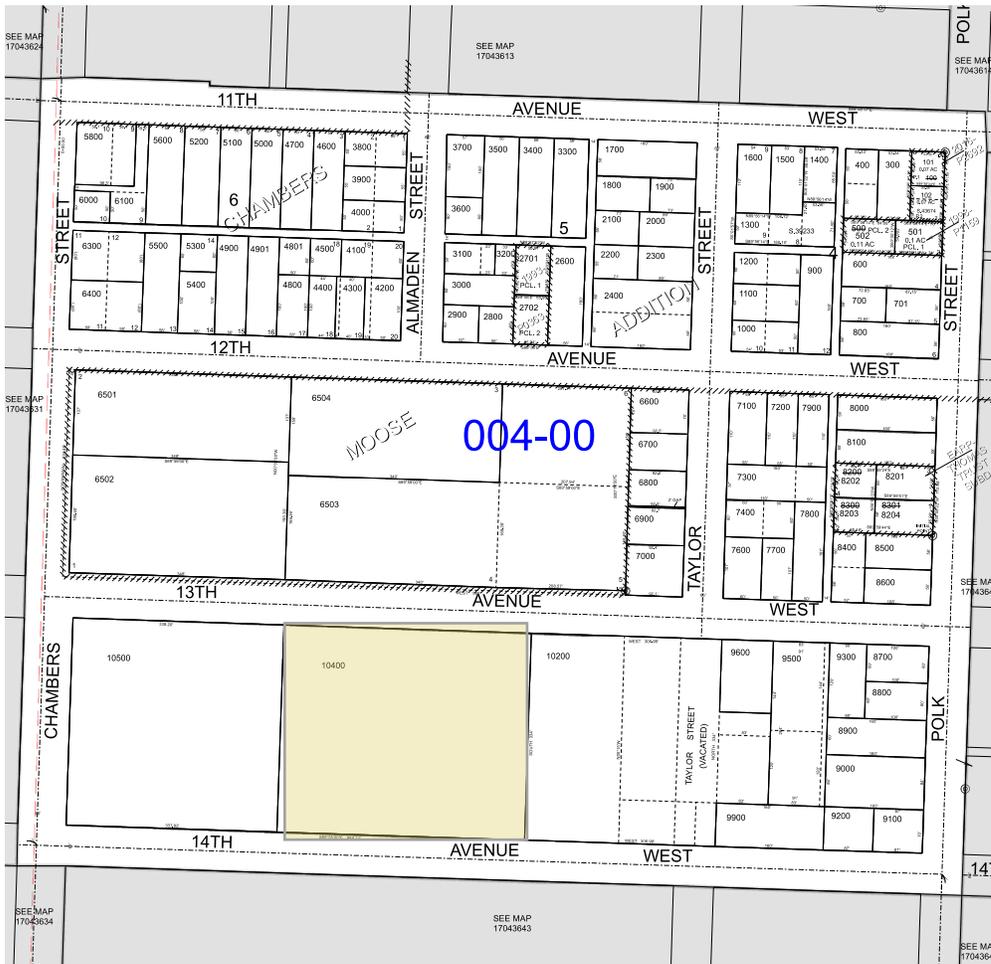

PUBLIC ENGAGEMENT PLANS

While HB 4212 does not require public engagement for siting, the County will work with the Jefferson Westside Neighbors and local businesses and residents who live nearby to create a responsive and respectful relationship with the surrounding community.
