**Submittal Requirements:**

Provide 3 paper copies and one CD copy of all application materials (i.e. written statement, site plans, etc.) in pdf format at the time of initial submittal. Please note that it is the applicant's responsibility to make sure that the CD and paper copies are identical. Following completeness review, an updated CD and additional paper copies may be required. All site plans must be folded to a size equal or less than 11" x 17".

**Written Statement**

- Submit a detailed written statement and any additional materials or evidence necessary to demonstrate how this request is consistent with all applicable approval criteria (see Section 9.8175 of the Eugene Code). Please note that it is the applicant's responsibility to provide adequate information demonstrating how the project satisfies the applicable approval criteria. Failure to provide such information may result in a denial of the application.
- Physical Description – The written statement should include a description of the physical appearance of the historic property. Please include the year of construction, a description of the original appearance (if known), any past alterations or additions. Much of this information can be obtained from the property's landmark application.
- Description of Proposed Alteration – The written statement should describe the proposed alteration, new construction, or major new landscaping and its impact on the historical integrity of the landmark.

**Site Plan and Architectural Information**

- Show date, north arrow and standard engineer's scale on the site plan.

- 
- Show Assessor's Map and Tax Lot numbers on the site plan.
  - Show a vicinity map on the site plan. (Vicinity map does not need to be drawn to scale.)
  - Include floor plans, elevation drawings, and a depiction of existing structures and other features on the subject property.
  - Provide architectural elevations and site design details of altered building(s), with supporting data to demonstrate compliance with approval criteria, as well as applicable development standards.
  - Clearly distinguish the existing conditions from proposed work. Detailed photographs may be substituted as documentation of existing conditions, if approved. Contact Planning staff for exact requirements.

**Supporting Analysis and Documentation**

- Provide a legal description of all property included in the alteration. This description must be typed on an 8-1/2 x 11" white sheet of paper (no letterhead) so that it is suitable for recording.
- Provide current photographs documenting the present condition of the structure, or site for major new landscaping, and significant details. All photographs should be clearly labeled with the name of the property, address, date, and view or detail. Minimum requirements include one photograph of each of the following:
  - One photograph of each elevation with text identifying the view, such as "south elevation" or "main entry."
  - Four perspective photographs (i.e. views demonstrating the relationship of the historic property to the site).
  - A minimum of four interior photographs (only needed if interior features were designated or specified by the Historic Review Board).

***NOTE: This is not a complete list of all potential requirements. Additional information including the services of a qualified professional may be required in order to adequately address the required approval criteria.***
