

URBAN RESERVES 27-Year Option

Preserves the highest value farmland plus adjacent properties with higher value soils (Class 1 and 2 soils).

This option reserves enough land to meet the projected needs of 27 years of growth beyond 2032.

For more information, see the Urban Reserves Options Story Map at <https://arcg.is/05OzKS> and the Urban Reserves web page at www.eugene-or.gov/UrbanReserves
