

E/W Amazon Drive Active Transportation Workshop

Hilyard Center (Main Hall)

2580 Hilyard St., Eugene, OR 97405

Tuesday, May 22

6:30 to 8:00 p.m.

A neighborhood open house has been scheduled for Tuesday, May 22 to discuss walking and biking improvements for E/W Amazon Drive (from Hilyard Street to Snell Street). The city is preparing a grant application to improve bicycle facilities and install pedestrian crossings of Amazon Creek. Please join us for a presentation and discussion on transportation improvements. Design options may include buffering the existing bike lanes or installing a two-way bike facility on one side of the Amazon Parkway. We will also discuss extending the Amazon Path south to Tugman Park along Hilyard Street.

Agenda:

- *Introduce grant opportunity*
- *Presentation of existing facilities and possible improvements*
- *Small group exercises (discuss hopes and concerns; identify design alternatives)*
- *Report results of small group exercises*
- *Discuss next steps*

Questions?

Please contact associate transportation planner Reed Dunbar at reed.c.dunbar@ci.eugene.or.us or 541-682-5727
