

# Project Information

## **Path Connector Project**

***Merry Lane ♦ Razor Park ♦ Fir Lane ♦ Amazon/30th Ave.***

***Project Location*** – *There are four locations included in this project:*

- Merry Lane (east of River Road) to West Bank Path
- Razor Park to West Bank Path
- Fir Lane (east of River Road) to Maurie Jacobs Park
- 30th Avenue to Amazon Path

### ***Project Overview***

- The City received a grant from the State of Oregon Urban trails Program to improve connections from major transportation corridors to the off street path system for all pedestrians and bicyclists.
- At Merry Lane, Razor Park and 30th Avenue, concrete surfaced paths will be constructed.
- On Fir Lane, the existing sidewalk will be partially extended and a roadside shoulder will be constructed on the south side of the street.

### ***Construction Schedule***

- The City has contracted with 2G Construction to perform this work.
- 2G Construction anticipates beginning their work at Fir Lane on July 20.
- All work is expected to be complete by mid-September.

### ***Traffic Impacts***

- Watch for construction signs and equipment.
- Short term lane closures will occur on River Road and Amazon Parkway during sidewalk improvements.
- Fir Lane will be reduced to a single lane with flaggers during most of the work.

### ***Project Funding***

- Major Funding Source
  - Oregon Urban Trails Grant
  - Transportation System Development Fees
