

VISION STATEMENT

TRANSPORTATION

The integrated transportation system in River Road and Santa Clara is safe, efficient, and accessible for people of all ages, abilities, and socio-economic levels who choose to bike, walk, drive, or use public transit. This system supports redevelopment, economic opportunity and affordable, convenient access to daily needs. The design of the transportation system enhances the sense of place and responds to the evolving needs of the community. Our transportation system is environmentally responsible and supports low carbon transportation options.

Goal 4: Implement a transportation system that is designed to be safe for all users.

Policy 4.1 Safety and Accessibility: Improve safety and accessibility for people walking, biking, and using mobility devices.

Policy 4.2 Riverfront Paths: Improve safety enhancements and amenities along riverfront shared use paths.

Goal 5: Promote a connected and efficient multi-modal transportation system that is equitable and affordable and addresses congestion on River Road.

Policy 5.1 Regional Transportation Network: Work towards convenient, equitable, and affordable access to a regional pedestrian, bicycle, transit, and vehicle network throughout the River Road and Santa Clara neighborhoods.

Policy 5.2 Transit: Support affordable bus rapid transit from the River Road corridor to the rest of Eugene in collaboration with Lane Transit District.

Policy 5.3 Active Transportation to Commercial Centers: Expand active transportation networks that connect neighborhoods to their adjacent commercial areas, schools, and community gathering spaces.

Policy 5.4 Traffic Management: Prioritize transportation infrastructure improvements to support the traffic flow and enhance safety objectives.

Policy 5.5 Public Right-of-Way Management: City and County will continue to cooperatively work towards addressing jurisdictional issues in the right of way, including parking, maintenance, street improvements, and annexation issues.

Goal 6: Plan for a transportation system that is future oriented, environmentally responsible, and transitions to zero carbon.

Policy 6.1 Zero Carbon: Transition transportation system toward zero carbon by prioritizing improvements that support seamless connections for switching between modes, active transportation options, ride sharing, and electric vehicle use.

Policy 6.2 Education and Youth Engagement: Educate current and future users of the transportation system about active transportation options and transit, tapping into existing resources like Safe Routes to School and City of Eugene youth recreation programs.

Policy 6.3 Future Transportation Needs: Support a transportation system that responds to the long-term needs of the River Road and Santa Clara neighborhoods.

Policy 6.4 Street Design: Apply appropriate design standards to address the distinct types of travel lanes typical of the River Road and Santa Clara neighborhoods, consistent with City and County guidelines.
