

Paving Project Information

Van Buren Street Pavement Preservation Project

Paving of Van Buren Street from the north side of Blair Boulevard to the north side of the railroad crossing

Project Location

Van Buren Street from the north side of Blair Boulevard to the north side of the railroad crossing south of W 1st Avenue

Project Overview

- The street is showing significant deterioration, thus the existing pavement and base rock will be completely removed and replaced, or alternatively, recycled in-place and repaved, curb to curb.
- Sidewalk access ramps may be reconstructed at several locations.
- Union Pacific Railroad may also reconstruct the south RR crossing during this project.

Construction Schedule

- Tentative Construction Schedule-Spring/Summer 2013

Traffic Impacts

- Watch for construction signs and equipment.

Project Funding

- Major Funding Source
 - 2008 Street Bond
 - Local Gas Taxes
- Minor Funding Sources
 - Stormwater Utility Fees
 - Wastewater Utility Fees
